GOVERNMENT OF MADRAS

The Governor in
Council
The Chief Secretary
to the Government of Madras

Most noble Lord

We the Voters & Rate payers
of the Vichinopoly Municipality most
respectfully beg to bring the following to
Your generous consideration & aid.

We are glad to learn that
Your Lordship has justly passed an
order that a paid official Chairman
should be nominated in place of the
present non-official Chairman. This
Municipality is next to Madras in Area
population & Revenue & the water
project has been commenced & the work
of the Chairman is doubled.

The non-official Honorary
Chairman cannot be expected to
satisfactorily & strictly attend to the

wants of Sanitation and Revenue collection and rigidly extract work from his Subordinates as he always expects favour more or less from among voters and his Subordinates.

Properly speaking an European experienced Military or Government civil officer should be nominated to this most responsible post in whom the health of so many thousands have been entrusted, we doubt whether the present Council will succeed or not. Boldly by magosity in selecting a proper and well experienced Government official to meet the wants of justice.

Although we are very sorry to lose the honored privilege which the Government has bestowed on us viz the power of electing ourselves a Chairman, still for the sake of human health and prosperity we can rather lose for the present the precious honor favoured on us with confidence, & request that the election of the Chairman should be withdrawn from this Municipality & the Government may nominate a proper well experienced &

thorough honest European or Native official. In the meantime we request that the Divisional officer may be ordered to take charge of the Municipality.

In connection with the above we beg to mention the names of the 2 Government officials fit for the above post.

M. R. Raj Bahadur P. Pattabirama Pillai M. the present Dy. Collector of Madras who was formerly Sugar Sherishtadar of this place for 20 years. Government in recognition of his good and honest services to the State offered him the appointment of the 4th class of collector to start with instead of 5th class as usual & honored him with the title of Raj Bahadur. He has on several occasions acted as Municipal Chairman & Vice president of this Municipality. We hear that he is to retire within a year. Although his age is nearly 61 he is a man of 30 years in business. He can ride and walk many miles thro out the Town. He is well bodied & strong minded man and has all the good qualification which an
