GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From G. F. T. POWER, Esq., President, District Board, North Arcot, to the Chief Secretary to Government, dated Chittoor, 20th December 1894, No. 595-In.

I have the honour to submit herewith the consolidated budget estimate of local funds in the district of North Arcot for the official year 1895–96 together with the prescribed statements.

2. The budget was passed by the district board at its meeting held on the 20th December 1894. A copy of the board's resolution and a map of the district are submitted herewith.

3. The subjoined statement compares the total receipts and expenditure as estimated for the current and ensuing years :—

—	1894–95.		1895–96.
	Original.	Revised.	
	Rs.	Rs.	Rs.
Opening balance	40,070	54,270	34,830
Receipts	3,89,390	4,05,630	4,02,750
Total ..	4,29,460	4,59,900	4,37,580
Expenditure	4,10,660	4,25,070	4,12,870
Closing balance	18,800	34,830	24,710

REVISED ESTIMATE FOR 1894–95.

4. *Receipts—Opening Balance.*—The year opened with a balance of Rs. 54,270 as intimated by the Accountant-General, which is distributed between the district and the taluk boards as exhibited below :—

	Rs.	Rs.
District Board	..	4,380
Chittoor Taluk Board	14,060	
Vellore do.	16,330	
Ránipéttai do.	20,490	
Arni do.	— 990	
		49,890
Total ..		54,270

5. *Receipts.*—The receipts of the year are estimated at Rs. 4,05,630. Adding to this the opening balance of Rs. 54,270, the total assets come to Rs. 4,59,900 against the budget estimate of Rs. 4,29,460. The increase of Rs. 30,440 is the net result of

an increase of Rs. 35,440 under the items mentioned below and a decrease of Rs. 5,000 chiefly under "Tolls under Act V of 1884":—

(*a*) Opening balance.
(*b*) Land cess.
(*c*) House-tax.
(*d*) Municipal contribution for education.
(*e*) Market rents.
(*f*) Bungalow fees.
(*g*) Fees and fines.
(*h*) Avenues.
(*i*) Refund of expenditure and sundry other items.

6. *Opening Balance.*—The increase of Rs. 14,200 under this head is due chiefly to a decrease in the expenditure under Grants I, III and IV (especially under Grant I) in 1893–94. The short expenditure under Grant I was, as already explained in the administration report, due to—

(*a*) the difficulty of getting contractors sufficiently early in some cases,
(*b*) the neglect on the part of some contractors to complete their work in time, and
(*c*) the non-receipt from the Sanitary Board of the plans and estimates for improvements to certain markets duly sanctioned within the year.

7. *Land cess.*—There is an increase of Rs. 27,370 in the total demand of the year as noted in the margin and a decrease of Rs. 7,420 in the estimated collections, the closing balance having been fixed with reference to that of 1893–94; hence the net increase. The land cess demand of fasli 1302 (1892–93) which was fixed with reference to the land revenue beriz of the several zemindaris for fasli 1301 (1891–92) was adopted in the budget, whereas in the revised estimate the demand of fasli 1303 (1893–94) fixed with reference to the settled beriz of fasli 1302 (1892–93) has been taken. The season in fasli 1302 (1892–93) having been more favorable than in fasli 1301 (1891–92), there was an increase in the land revenue beriz and consequently in the land cess demand.

	Rs.
Karvetnagar zemindari	16,590
Punganúru do.	3,820
Other zemindaris and Government taluks	6,960
Total ..	27,370

8. *House-tax.*—The increase of Rs. 480 is due chiefly to the introduction of the tax in the Peranambut union formed during the current year under G.O., dated 21st July 1894, No. 1340 L., and in the Chandragiri union (G.O., dated 22nd September 1894, Mis. No. 1872 L.).

9. *Contribution from Municipalities for Education.*—The increase of Rs. 80 under this head represents the amount of contribution payable by the Vellore municipal council towards the salary of the Local Fund Muhammadan Inspecting schoolmaster for inspecting the Municipal Muhammadan schools from August 1894 at Rs. 10 per mensem.

10. *Market Rents.*—The increase of Rs. 230 under this head is mainly due to keen competition at the sale of the right to collect fees in the markets under the control of the Taluk Boards of Chittoor, Vellore and Ránipéttai.

11. *Bungalow fees.*—The increase of Rs. 50 under this head appears under the Arni Taluk Board and is explained to be due to the constant occupation of the travellers' bungalow at Wandiwash by the forest ranger.

12. *Fees and Fines.*—The increase of Rs. 180 is mainly due to the fact that the fees collected in the temporary markets held on occasions of festivals in the Kálahasti and Tiruttani unions, estimated at Rs. 90 and shown in the budget under the head "Market rents," have been credited to the head "Fees and fines" with reference to the Accountant-General's instructions contained in his circular No. 4, dated 21st May 1894. An increase is also expected in the amount of fines collected under the "Towns Nuisance Act" in the Vellore and Ránipéttai Taluk Boards.

13. *Avenues.*—The variation is too small to call for special remarks.

14. *Refund of Expenditure.*—The amount of contribution paid by the Arni Taluk Board to the Public Works Department towards the repair of the road over the bund of the Anakkavur tank has been refunded with reference to G.O., dated 16th December 1893, No. 3262 W; hence the increase under this head.

15. The district board having permitted composition of tolls, under section 87 (2) of the Act, in the case of cart-owners resident in villages situated within a radius of three miles from local fund toll-gates, the lease amounts of one and all the gates have fallen off. This chiefly accounts for the large decrease of Rs. 4,710.

16. The variations under the other items are explained in the remarks column of statement IX.

17. *Expenditure.*—Excluding the reserve of Rs. 7,819 (or Rs. 7,820 in round number) revised with reference to the Government memorandum, dated the 17th June 1893, No. 372, the budget grant for the current year amounted to Rs. 4,10,660. This together with the subsequent allotments of Rs. 10,698 or nearly Rs. 10,700 (exclusive of the allotment of Rs. 500 made to the Ránipéttai Taluk Board and sanctioned in G.O., dated 17th November 1894, Mis. No. 2385 L.) raised the total allotment for the year to Rs. 4,21,360. The expenditure according to the revised estimate amounts, however, to Rs. 4,22,420,* as detailed below:—

	Rs.
Grant I	2,17,560
„ II	81,910
„ III	1,00,040
„ IV	22,910
Total ..	4,22,420

* Excludes the reserve of Rs. 2,649 or Rupees 2,650 in round number.

An increase of Rs. 2,150 occurs under Grants I and III chiefly on account of the following causes:—

(1) A sum of Rs. 105 collected from one Muhammad Usman Sahib in the Ambur union on account of the value of a piece of land encroached upon by him has been ordered to be refunded to him (*vide* G.O., dated 24th October 1894, Mis. No. 2164 L);

(2) Some expenditure not provided in the original budget is expected for the improvement of the street roads of the newly formed union of Peranambut;

(3) A sum of Rs. 1,565 has to be debited in the current year on account of the value of medicines and surgical instruments supplied to the dispensaries under the Vellore Taluk Board in the past official year; and

(4) Rupees 360 had to be spent over the budget provision for the sanitary arrangements at the Brahmotsavam festival at Tirupati out of the contribution of Rs. 500 made from the district funds—*vide* G.O., dated 17th November 1894, Mis. No. 2385 L.

The taluk boards concerned will be requested to obtain allotments for the above items of expenditure at an early date.

Under the remaining grants, viz., II and IV, there is a decrease of Rs. 1,090, so that the net increase comes to Rs. 1,060.

18. The variations under the other items of expenditure are explained in the remarks column of statement No. IX.

19. A sum of Rs. 2,649 (Rs. 2,650 in round number), being the amount of the unallotted portion of the reserve in favour of the Chittoor Taluk Board, has been set apart for future appropriation during the current year. The total estimated expenditure for the current year amounts therefore to Rs. 4,25,070.

20. *Closing Balance.*—The year is expected to close with a balance of Rs. 34,830, distributed as below:—

	Rs.
Union balance	1,980
Endowment balance	23,470
Net balance available for general purposes	9,380
Total ..	34,830

BUDGET ESTIMATE FOR 1895–96.

21. *Receipts.*—The receipts of the year are estimated at Rs. 4,02,750. Adding to this the sum of Rs. 34,830, the closing balance of the current year, the total assets come to Rs. 4,37,580 against Rs. 4,29,460 budgeted for during the current year. The increase of Rs. 8,120 is the net result of an increase of Rs. 18,960 under the items specified in A and a decrease of Rs. 10,840 under those marked B.

A.

(1) Land cess,
(2) Municipal contribution for tolls,
(3) House-tax,
(4) School fees,
(5) Municipal contribution for education,
(6) Miscellaneous contribution from private individuals,
(7) Choultry rents,
(8) Market rents,
(9) Slaughter-house fees,
(10) Fees and fines,
(11) Avenues,
(12) Sundry receipts,
(13) Provincial contribution for education, and
(14) Do. miscellaneous.

B.

(1) Opening balance,
(2) Local fund tolls,
(3) Interest on Government securities,
(4) Fishery rents,
(5) Sale of old materials,
(6) Refund of expenditure,
(7) Public Works, Miscellaneous, and
(8) Provincial contribution for school buildings.

22. (*a*) The increase under "Land cess" is chiefly due to increase in the demand as explained in paragraph 7 *supra*. As compared with the revised estimate for 1894–95, the collections show a decrease due mainly to the fact that the revised estimate includes Rs. 6,100, being the arrear of fasli 1302 (1892–93) due on the Karvetnagar zemindari for December 1893 and March 1894 as per demand of fasli 1303 (1893–94) settled after the close of 1893–94.

(*b*) The net increase of Rs. 350 under "Municipal contribution for tolls" is due to the increase in the case of the Vellore and Tirupati Municipalities amounting to Rs. 400 as shown in the margin, counterbalanced by a decrease of Rs. 50 in the income from the Gudiyáttam Municipality. These figures have been arrived at with reference to the estimates furnished by the chairmen of the municipal councils concerned.

	Rs.
Vellore Municipality	150
Tirupati do.	250
Total ..	400

(*c*) The increase of Rs. 2,130 under "house-tax" is mainly due to the imposition of house-tax in the Chendragiri union and in the newly formed union of Perunambut under sanction of Government accorded in G.Os., dated 22nd September 1894 and 21st July 1894, Mis. Nos. 1872 L., and 1340 L., respectively. Increased income is also expected in the marginally-noted unions.

(1) Punganúru union,
(2) Arcot do.
(3) Kuppam do.
(4) Ránipéttai do.
(5) Tiruttani do.
(6) Arkonam do.
(7) Kaverippakkam union, and
(8) Arni union.

(*d*) The increase under "School fees" is the net result of—

(1) an increased income expected by the Taluk Boards of Vellore and Arni consequent on the increased strength of the primary schools under the former and of both the secondary and primary schools under the latter, and

(2) a decrease in the case of the Chittoor and Ránipéttai boards owing mainly to the fall in the strength of the High school, Chittoor, and to the abolition of the secondary department of the Middle school at Chendragiri.

(*e*) The increase under "Municipal contribution for education" has already been explained in paragraph 9 *supra*.

(*f*) The sum of Rs. 90 shown against item (6) represents the amount of contribution agreed to be paid by the villagers of Veliyur and Puthur in the Pólúru taluk towards the cost of repairing a fresh water pond in each village. A provision of Rs. 180 is made for this work—*vide* Statement No. VI.

(*g*) The increase of Rs. 100 under "choultry rents" represents the amount expected to be realized by renting out the vacant sites in front and within the compound of the choultry at Arkonam.

(*h*) The increase under item (8) is due to—

(1) the proposed opening of a market at Valapandal under the Vellore taluk board, and another at Nakshatrakovil under the Arni taluk board, and

(2) the increased income in the case of the existing markets under all the taluk boards except Arni.

(*i*) The increase of Rs. 150 under item (9) represents the income from the slaughter-house at Ambur proposed to be opened.

(*j*) The increase under "fees and fines" is due mainly to:—

(1) the recent introduction of pandal fees in all the unions under the Vellore and Ranipettai taluk boards and fees for the temporary use of markets, &c., at fairs and festivals in the unions under the Ranipettai taluk board, under clauses IV and V, section 57 of the Local Board's Act;

(2) the inclusion under this head of the fees from the temporary markets at Tiruttani and Kálahasti, as explained in paragraph 12 *supra*, and

(3) the increase in the income under fines collected under the "Towns Nuisance Act," anticipated with reference to the experience of the past year.

(*k*) The increase under "avenues" is estimated by the several taluk boards with reference to the experience of past years.

(*l*) The net increase under "sundry receipts" (being realizations from the sale of the town and cart-stand sweepings, manure, &c.), is expected by all the taluk boards except Ranipettai.

(*m*) Under "provincial contribution for education," some increase is proposed by the Vellore and Arni taluk boards and a decrease by the other two taluk boards, the result being a net increase of Rs. 840. The increase is explained to be due to the addition of two new schools—the Muhammadan Orphan school at Arcot and a school for the education of the pariahs of Vadacheri, under the Vellore taluk board, and to the probability of a number of Upper Primary schools under the Arni taluk board preparing a larger number of students for the higher standards examination than in the current year, while the decrease is due to—

(i) the reduction of establishment of the Chittoor High school, consequent on the separation of the Muhammadan department therefrom;

(ii) the transfer of the Muhammadan Girls' school, Chittoor, to the Educational department—*vide* G.O., dated 9th April 1894, No. 238, Educational; and

(iii) the comparatively low estimate under this head, advised by the Educational officers in respect of some of the schools under the Ranipettai board.

(*n*) The increase of Rs. 120 under "provincial contribution—miscellaneous" represents the amount of pension at Rs. 10 per mensem payable to the Darogah of the Muhammadan Orphan school at Arcot, recently taken over by the taluk board of Vellore under G.O., dated 12th October 1894, Mis. No. 2023 L., out of the monthly allowance of Rs. 105–15–8 attached to the school.

23. (*a*) *Opening balance.*—The revised estimate of the current year when compared with that of 1893–94, shows a large decrease under the total assets and an increased expenditure under Grants II and III, which is only partly counterbalanced by a small decrease in the expenditure under Grants I and IV. This accounts for the decrease in the opening balance for next year.

(*b*) The decrease under (2) has already been explained in paragraph 15 above. There is a small falling off under "Interest on Government Securities." It is due to the reduction of interest on certain Government promissory notes.

(*c*) The decrease of Rs. 100 under "fishery rents" appears under the Chittoor taluk board, and has been estimated in view of the short collections in 1893–94.

(*d*) The decrease under items (5), (6) and (7) is expected with reference to the actuals of the past year.

(*e*) The decrease under "provincial grant for school buildings" is due to the fact that for want of funds only Rs. 200 are provided for the construction of school sheds under the Arni taluk board against Rs. 1,070 in the current year.

24. *Expenditure.*—The total expenditure under all the four grants is estimated at Rs. 4,09,130 as detailed below :—

		RS.
Grant	I	2,05,660
"	II	81,190
"	III	97,700
"	IV	24,580
	Total ..	4,09,130

There is increase under Grants III and IV and decrease under Grants I and II.

25. *Grant I—New Works.*—For want of funds, it is not possible to provide for more works than *three* under "*Communications*," two under "*Civil buildings*," and *three* under "*Miscellaneous Public Improvements*." The *three* works under communications are specified below :—

	RS.
(1) Metalling the road from Punganuru to Sadam	1,000
(2) Constructing a road from Arkonam to Arkonam railway goods-shed	350
(3) Forming a new road from the 56¼ mile of the Calicut trunk road to Kalattur village	520

The first and the last are incomplete works of past years. Number (1) is estimated to cost Rs. 6,820. The computed expenditure up to the end of March 1895 amounts to Rs. 5,366. Item No. (3) is also an important work. The villagers of Kalattur have contributed one-third of its estimated cost. The original estimate was for Rs 3,500, but owing to certain alterations in the details, a revised estimate for Rs. 4,355 was sanctioned by the taluk board of Ranipettai on the 29th March 1893 and approved of by the district board. The computed expenditure up to the end of March 1895 comes to Rs. 3,833, and the provision now made is for completing the work next year. The amount of item No. 2 is proposed to be met from the balance in favour of the market at Arkonam, which would be immensely benefited by this work, which would serve as an important feeder road.

26. A sum of Rs. 3,000 is provided under the head "Civil buildings" for the construction of a lying-in hospital attached to the Devasthanam hospital at Tirupati. The necessity for this work has been already recognized by Government and an estimate, amounting to Rs. 9,200, has been sanctioned in G.O., dated 11th December 1893, Mis. No. 2770 L., and the present provision is made from the endowment balance in favour of the Devasthanam hospital. Rs. 200 are provided for constructing school sheds under the Arni taluk board.

27. Under "Miscellaneous public improvements" a sum of Rs. 1,200 has been provided for the undermentioned works :—

	RS.
(1) Constructing a market with tiled sheds in Choudapalle village.	1,000
(2) Fencing and constructing sheds in the weekly market at Devikapuram	100
(3) Fencing and constructing sheds in the weekly market at Kalasapakkam	100
Total ..	1,200

The above markets have sufficient endowment balance to meet the expenditure.

28. *Repairs—Communications.*—The proposed expenditure for maintaining the roads described in Statement No. III-B amounts to Rs. 1,52,190 against Rs. 1,55,090 provided for in the current year. The decrease of Rs. 2,900 appears under the Vellore and Ranipettai taluk boards. For the other boards, the current year's allotment is repeated, no additional provision being possible for want of funds. Except in the case of the two roads mentioned in the margin, the maintenance grant under the Ranipettai taluk board has been reduced. Under the Vellore board, the provision for the repair of street roads of Arcot and Ambur unions has been reduced by Rs. 20 and Rs. 120, respectively, and Rs. 100 have been provided instead for the repair of the street roads of the newly formed union of Peranambut and the branch road from the Gudiyáttam-Palmaner road to the camping tope at Gudiyáttam.

(1) Road from Kirkumbady to Tirupati, and
(2) Do. Tirupati to Pudi railway station.

29. *Civil Buildings.*—A provision of Rs. 2,100 is made for the repair of the several hospitals and dispensaries, school buildings, chattrams and bungalows, which stand in urgent need of repair, as per particulars furnished in Statement No. III-B against Rs. 2,520 provided for in the current year.

30. *Miscellaneous Public Improvements.*—Under this head, a sum of Rs. 9,030 is provided for the maintenance of avenues, and for improvements of markets as detailed below against Rs. 8,700 in the current year :—

	RS.
Maintenance of avenues	5,200
Improvement of markets and slaughter-houses	3,830
Total ..	9,030

The net increase of Rs. 330 chiefly occurs in the case of markets in the Ranipettai taluk board.

31. *Establishment.*—A sum of Rs. 31,920 is provided to meet the cost of the Engineering establishment, including travelling allowance against Rs. 31,880 in the current year. The Assistant Engineer, Mr. Dwyer, was specially allowed a fixed travelling allowance of Rs. 4 per diem. He has since been transferred to the Chingleput district, and his substitute here is paid at the rate of Rs. 3 per diem under G.O., dated 20th March 1894, No. 554 L. The District Board Engineer being entitled to an increment of Rs. 25 per mensem from 1st October 1895, the necessary provision is made in the budget. The pay of the store watchman of the Engineer's office is increased from Rs. 4–8–0 to Rs. 5 per mensem, in view of the present incumbent's long and faithful service. A proposition statement for the revision of the establishment is submitted herewith, and it is requested that Government will be pleased to accord sanction to it. The percentage of the cost of establishment to the total outlay on works amounting to Rs. 1,69,590 comes to 18·82. As in the current year, a provision of Rs. 250 is made for payment of contribution to the Public Works Department for the scrutiny of local fund plans and estimates and for the collection of the local fund revenue.

32. *Tools and Plant.*—A sum of Rs. 1,700, calculated at 1 per cent. on the total outlay on works by the Local Fund Engineering department, is provided under this head as required by rule 19 of the local fund rules. The cost of the engineering establishment, tools and plant and contingencies, debitable to the several taluk boards, is distributed among them at 15·44, ·82 and 1·21 per cent., respectively, in accordance with the instructions contained in G.O., dated 5th August 1890, No. 1942 L.

33. *Total Grant I.*—The total assignments under Grant I is distributed between the district and the taluk boards as exhibited below, together with the percentage on the total assets :—

	Amount.	Percentage on total assets.
	Rs.	
District board	94,320	53·65
Chittoor taluk board	21,180	35·14
Vellore ,, ,, ...	28,040	34·58
Ranipettai ,, ,, ...	40,830	39 91
Arni ,, ,, ...	21,290	38·08
Total ..	2,05,660	43·29

34. *Grant II—Education.*—The outlay estimated under this grant amounts to Rs. 81,190 against Rs. 81,820 provided for the current year, and it is distributed as follows :—

	1895–96.	1894–95.
	Rs.	Rs.
Inspection	4,640	4,620
Sessional schools	1,920	1,940
Training Muhammadan students	290	290
Secondary schools	14,250	15,190
Elementary schools	40,410	39,950
Result grants	17,300	16,800
Building grants	700	1,300
Miscellaneous grants	200	300
Contribution to municipalities	130	130
Miscellaneous	1,350	1,300
Total ..	81,190	81,820

35. *Inspection.*—As in the current year, provision is made for eleven inspecting schoolmasters, including the Muhammadan inspecting schoolmaster of the district. A sum of Rs. 4,640 is provided under this head against Rs. 4,620 in the current year. The rate of the fixed contingent allowance to the Muhammadan inspecting schoolmaster has been raised from Rs. 3–8–0 to Rs. 5 per mensem, as per sanction accorded in G.O., dated 1st October 1894, Mis. No. 1922 L.; hence the increase. The Educational department recommended an increase of pay to seven of the inspecting schoolmasters, or at least to three of them. The recommendation could not be complied with for want of funds.

36. *Sessional Schools.*—Under this head, a sum of Rs. 1,920 is provided against Rs. 1,940 during the current year. The decrease of Rs. 20 is due to the fact that, as proposed by the Assistant Inspector, no provision is made for "maps and books." The Director of Public Instruction recommended the working of *three* Sessional schools throughout the year (instead of two as at present)—one for each Sub-Assistant Inspector's range—in view of the large percentage of unpassed men in the existing staff of teachers. The board regrets its inability to give effect to this proposal owing to its financial difficulties.

37. The usual provision of Rs. 290 is made for training three Muhammadan teachers in the Muhammadan branch training school at Triplicane on a stipend of Rs. 8 each per mensem.

38. *Secondary and Elementary Schools.*—The total provision under this head amounts to Rs. 54,660 against Rs. 55,140 in the current year, and it is distributed among the several taluk boards as exhibited below :—

	1895–96.	1894–95.
	Rs.	Rs.
Chittoor taluk board	14,510	15,410
Vellore ,, ,, ...	17,560	16,440
Ranipettai ,, ,, ...	10,440	11,520
Arni ,, ,, ...	12,150	11,770
Total ..	54,660	55,140

The net decrease of Rs. 480 is explained in detail in appendix to statement No. IV-A in the accompanying book of statements.

39. *Results Grants.*—The assignment under this head comes to Rs. 17,300 against Rs. 16,800 in the current year. The increase of Rs. 500 represents the increased provision made for the Arni taluk board, as the current year's allotment of Rs. 4,000 is considered insufficient to meet the expected demands, as it has fallen far below the actuals of 1893–94.

40. (*a*) *Building Grants.*—A sum of Rs. 700 has been assigned under this head against Rs. 1,300 during the current year.

(*b*) *Miscellaneous Grants.*—Under this head Rs. 200 have been allotted.

41. *Contribution to Municipality.*—The usual amount of contribution, viz., Rs. 130, payable by the district board towards the maintenance of the Gudiyáttam municipal school has been provided for.

42. (*g*) *Miscellaneous.*—The provision of Rs. 1,350 made under this head comprises—

(*a*) Rs. 1,000 for the purchase of elementary school books to be supplied to the depôts of the several inspecting schoolmasters for sale in the local fund and result schools in the district;

(*b*) Rs. 150 for commission on sale of books to be paid to the inspecting schoolmasters; and

(*c*) Rs. 200 for the purchase of the following books and periodicals :—

(1) The "Indian Journal of Education."
(2) The "Educational Calendar and Directory."
(3) The "Medical Practitioner."
(4) The "Lancet."
(5) The "Maharani."
(6) The "Janavinodini."
(7) The "Sukhadharabodhini."
(8) The "Progress."
(9) The "Vivekachintamani."
(10) The "Civil Service Regulations."
(11) The "Civil Account Code."
(12) The "Public Works Department Code."
(13) The "Taluk and Village Statistics of the Census of 1891 of this district," and
(14) The "Local Funds Act IV of 1871."

The Public Works Department Code is required by the Engineer, as constant references are being made to it in Government orders and communications received from the Inspector of Local Fund Accounts. The book specified in No. (13) has been strongly recommended by the inspector of vaccination to be supplied to the deputy inspectors of vaccination, as being very essential for the preparation of their programmes and diaries. The old Local Fund Act is wanted by the Vellore Taluk Board President as being necessary for the elucidation of frequent references made to it in Act V of 1884 (Local Boards).

43. *Total Grant II.*—The total assignments for education, together with the percentage on the total assets, are detailed hereunder :—

	Amount.	Percentage on total assets.
	Rs.	
District board	8,230	4·68
Chittoor taluk board	17,430	28·92
Vellore do.	22,470	27·71
Ránipéttai do.	16,220	15·85
Arni do.	16,840	30·12
Total ..	81,190	17·08

44. *Grant III, Hospitals and Dispensaries.*—A provision of Rs. 37,940 is made for the upkeep of the various hospitals and dispensaries in the district against Rs 37,200 provided for in the current year. The net increase of Rs. 740 appears chiefly under the following items :—

(1) The increase of Rs. 470 under "Medical subordinates" is accounted for as follows :—

(*a*) The hospital assistants attached to the dispensaries at Arcot and Kuppamu will become entitled to the pay of higher grade in the course of next year.

(*b*) Provision is made for the higher rate of pay to be given to the first-class hospital assistant of Ariyalúr in Trichinopoly district, who has recently exchanged with the second-class hospital assistant of the Wandiwash dispensary.

(*c*) Provision is made at the rate of first-class hospital assistant's pay for the whole of next year to the hospital assistants of Punganúru, Sholinghur, Puttúr and Arkonam, whereas in the current year it was made only from 1st July, the date when they were promoted to that grade.

(*d*) The allotment for the pay of the civil apothecary of the Arni hospital has been reduced, as one of a lower grade has been posted there.

(2) The net increase under "Clerks and servants" is due to the following causes :—

(*a*) A compounder on Rs. 9 per mensem has been entertained in the dispensary at Venkatagirikota under sanction of Government conveyed in its Order, Mis. No. 787 L., dated the 2nd May 1894.

(*b*) The compounders of Ambúr, Tiruvattúr and Kálahasti dispensaries will be promoted to a higher grade in the course of next year.

(*c*) Provision is made for the pay of higher grade of the compounders of the Ránipéttai hospital and Sholinghur dispensary for the whole of the next year, whereas it was made only for a portion of the current year.

(*d*) The compounders of the Wandiwash and Polur dispensaries had mutual exchange, and this accounts for the variations under this head.

(*e*) The peons attached to each of the dispensaries at Arkonam, Kálahasti, Sholinghur and Puttúr have been dispensed with on the recommendation of the District Medical and Sanitary Officer.

(*f*) In the current year's budget the provision of Rs. 4-8-0 for the pay of a scavenger on As. 6 per mensem sanctioned for the Kuppamu dispensary in G.O., dated 12th February 1892, No. 374 L., Mis., was omitted to be shown. The Vellore taluk board has recently increased his pay to Rs. 1-4-0 per mensem in view of the great difficulty of getting such servants at Kuppamu.

(*g*) The Taluk Board, Ránipéttai, have sanctioned the entertainment of a clerk on Rs. 12 per mensem (including pensionary contribution) in the Ránipéttai hospital with effect from 1st October 1894 owing to the very heavy work in the hospital. Proposition statements for the sanction of Government in the case of items (*e*), (*f*) and (*g*) will be submitted shortly.

(3) The increase of Rs. 100 under "Midwives and midwifery pupils" is due to the entertainment of a midwife on Rs. 8 per mensem in the dispensary at Sholinghur with effect from 1st September 1894. A proposition statement will be submitted for the sanction of Government. Provision has been made for house-rent for all hospital assistants, except those under the Vellore and Arni taluk boards, as required in G.O., dated 4th September 1894, No. 1684 L. The Presidents of these two boards have been asked to report how much they propose under this head, and on receipt of their replies, the required information will be furnished to Government. The taluk board of Vellore has provided for the import duty on the annual supply of medicines from Messrs. Burgoyne and Burbidges and Company, London.

45. No provision has been made for the training of midwifery pupils, the required number having already been trained.

46. As in the current year Rs. 790 are provided for the cost of the District Medical and Sanitary Officer's establishment and contingencies.

47. *Vaccination.*—The district is, as usual, divided into the three vaccination circles of Chittoor, Vellore and Karvetnagar. Appendix B, annexed to the accompanying book of statements, furnishes particulars of the number and pay and contingencies of the vaccine staff. As in the current year, a sum of Rs. 12,680 has been provided under this head.

48. *Sanitation.*—Rs. 31,330 have been assigned for sanitary purposes against Rs. 32,320 in the current year as detailed below :—

	1895-96.	1894-95.
	RS.	RS.
(1) Improvement of water-supply	5,770	6,030
(2) Do. of village-site	2,060	2,130
(3) Scavenging establishment	21,800	21,840
(4) Arrangement at fairs and festivals	910	850
(5) Other sanitary outlay	790	1,470
Total ..	31,330	32,320

49. The net decrease of Rs. 260 under item (1) is accounted for chiefly as follows :—

(*a*) A sum of Rs. 940 is provided for the repair of the fresh-water ponds in the villages and unions named in the margin against Rs. 1,190 in the current year. The Ránipéttai taluk board have provided a sum of Rs. 280 for the Arkonam union from the balance in favour of the market at that place. The villagers of Veliyur and Puttúr (Polur taluk) have agreed to contribute Rs. 90 towards the cost of the repair of the pond there as already stated in paragraph 22 (*f*) *supra*.

	RS.
1. Seyyanur (Arcot taluk)	100
2. Virupakshipuram (Vellore taluk) ..	150
3 Sembroyanellore (Gudiyattám taluk).	100
4. Arkonam union	280
5. Chendragiri union	30
6. Puttúr union	100
7. Veliyur and Puttúr (Polur taluk) ..	180
Total ..	940

(*b*) The services of one of the two tank watchmen on Rs. 3½ each per mensem in Punganúru union have been dispensed with, as being superfluous, as also those of the watchman at Gribblespet in Wallajah taluk on Rs. 3½ per mensem, under sanction accorded in G.O., dated 26th January 1894, No. 152 L., Mis.

(*c*) Provision is made for the pay of a spring watchman at Puthalput on Rs. 3 per mensem for six months of the year (*vide* G.O., dated 30th October 1894, No. 2208 L., Mis.), instead of one on Rs. 2 for the whole year as provided for in the current year's budget.

(*d*) Provision is also made for the entertainment of a watchman on Rs. 4 per mensem to guard the fresh-water pond at Timiri and a temporary watchman to guard the river springs at Thuthipet during the hot season, as recommended by the District Medical and Sanitary Officer.

(*e*) The taluk board of Vellore has proposed to increase the pay of the Ammundi tank watchman from Rs. 2 to Rs. 3 per mensem and provision is made accordingly.

(*f*) A sum of Rs. 84, being the pay of two tank watchmen for Narayanavaram on Rs. 3½ each per mensem, was included in the current year's budget, in the provision of Rs. 130 shown against the Puttúr union, as it was then proposed to include Narayanavaram in that union. The proposal having been negatived by Government, the amount (Rs. 84) is now separately shown for next year.

(*g*) The provision of Rs. 24 for the pay of the tank watchman at Peranamallur on Rs. 2 per mensem was omitted in the current year's budget through oversight. It is now shown for next year.

Proposition statements for the new establishments and for the increase of pay specified in (*d*) and (*e*) above will be submitted to Government for sanction.

50. The provision made under item (2) shows a net decrease of Rs. 70 and is due to the fact that—

(*a*) The services of the itinerating gang employed by the Chittoor taluk board for removing prickly-pear at a cost of Rs. 440 have been dispensed with, as it has proved a failure, and an increased provision of Rs. 450 has been made for this purpose instead.

(*b*) The Ránipéttai and Arni taluk boards have effected a reduction in the provision for next year by Rs. 30 each.

A proposition statement for item (*a*) above will be submitted shortly.

51. Under "Scavenging establishment" there is a net decrease of Rs. 40, which is chiefly due to—

(*a*) the abolition of the posts of two sweepers on Rs. 6 each per mensem and of the pygust on Rs. 7 at Venkatagirikota, as the present establishment consisting of four sweepers and a pygust is found too much for the place;

(*b*) the abolition of the scavenging cart at Kangundi;

(*c*) the provision made for the pay of a sanitary pygust on Rs. 5 per mensem and an increased provision for scavenging carts in the newly-formed union of Peranambut;

(*d*) the provision made for the pay of two sweepers on Rs. 4 each per mensem for each of the villages of Rallabudugur and Krishnapuram omitted to be included in the current year's budget. The above establishments have already been sanctioned in the marginally-noted Government Order and it is now proposed to meet the required amount from the balance in favour of the markets there;

G.O., dated 23rd June 1893, No. 1384 L., Mis.

(*e*) the revision of the scavenging establishments of all the unions under the Ránipéttai taluk board as detailed in appendix to statement VI.

The necessary proposition statement for item (*a*) will be submitted for sanction.

52. The net increase of Rs. 60 in the provision made for "arrangements at fairs and festivals" is due to—

(*a*) the increase of Rs. 20 in Sholinghur union;

(*b*) the new provision of Rs. 50 for the village of Trichanur; and

(*c*) the omission of Rs. 10 provided in the current year's budget for the Wandiwash union.

The provision of Rs. 50 made for Sholinghur union is proposed to be met from the balance in favour of the local market.

53. *Other Sanitary Outlay.*—A sum of Rs. 790 is provided under this head against Rs. 1,470 in the current year. The details are furnished below:—

			Rs.	Rs.
(*a*) Construction of a latrine in Punganúru union				
Do.	do.	in Ránipéttai	100	
Do.	do.	in Kálahasti	150	
Do.	do.	in Polur	150	
Do.	do.	at Tiruvallam	70

(*b*) Repair of existing latrines in Arcot and Ránipéttai unions				570
(*c*) Epidemic charges as per particulars given in statement VI				30
				190
		Total		790

54. *Markets.*—There were 56 markets and 3 slaughter-houses at the beginning of the current year. The Vellore taluk board has opened a market at Kátpadi and also proposed to open one at Valapandal in Arcot taluk and a slaughter-house at Ambúr. The Arni taluk board has proposed to open a market at Nakshatrakovil in Polur taluk. The market at Peppireddipalli,* sanctioned in G.O., dated 20th November 1893, No. 2605 L., Mis., has not yet been opened, as the required site has not yet been acquired. The one at Marudadu has been abandoned by the Arni board and the balance of Rs. 1-2-0 pertaining to it has been transferred to the Arni daily market. Thus, for next year, there will be 58 markets and 4 slaughter-houses. The slaughter-house at Ambúr is proposed to be managed by the local union panchayat from next year, as also the markets at Kuppamu and Peranambut. Those at Arkonam, Puttúr and Karvetnagar have been transferred to the management of the unions concerned during the current year. A sum of Rs. 1,820 has been allotted for the establishment and contingencies under this head against Rs. 1,630 in the current year. The net increase is mainly due to the following causes:—

* Not included in the 56 mentioned above.

(*a*) The proposed entertainment of a sweeper on Rs. 1-8-0 for the new market at Valapandal and a watchman for the slaughter-house at Ambúr on Rs. 5 and one on Rs. 3-8-0 for the Karvetnagar weekly market.

(*b*) The post of rent-collector on Rs. 2 per mensem for the Arkonam market has been abolished, as the market having been transferred to the local union, the bill-collector will collect the rent. A lamp-lighter on Rs. 3-8-0 per mensem has been entertained.

(*c*) The services of the watchman on Rs. 4 per mensem in the Ránipéttai daily market have been dispensed with.

(*d*) The watchman sanctioned for the Kolappalur market in G.O., dated 22nd December 1893, Mis. No. 2861 L., is proposed to be transferred to Kalasapakkam where one is most needed.

Proposition statements for the Valapandal market sweeper and for the transfer detailed in (*d*) will be submitted for sanction.

55. *Choultries.*—Under this head, a sum of Rs. 2,680 has been assigned against Rs. 2,700 in the current year. The net decrease of Rs. 20 appears chiefly under the heads of "Feeding travellers" and "Contingencies." The Ránipéttai taluk board has proposed to increase the pay of the sweeper of the chattram at Arkonam from Rs. 3 to Rs. 4 per mensem in consideration of the increase in the number of travellers resorting to it. Provision is also made at the rate of Rs. 3 for each of the choultries at Thennangur, Nemili, Salavedu, and Aryalam under the Arni taluk board to meet the lighting charges there.

56. *Public Bungalows.*—As in the current year, provision is made for twenty bungalows. Eight hundred and eighty rupees have been provided under this head, against Rs. 870 in the current year. The net increase is due to the following causes:—

(*a*) The services of the sanitary pygust of Venkatagirikota, who has been looking after the local travellers' bungalow also having been dispensed with, a watchman and sweeper on Rs. 3 per mensem is proposed for the bungalow, and provision is made for his pay.

(*b*) A provision of Rs. 5 to each of the bungalows at Puttur and Tirupati is newly made for meeting the house-tax newly levied on the former and enhanced in the case of the latter. This increased expenditure is counterbalanced by a decrease in the contingent charges of some of the bungalows.

A proposition statement in the case of the establishment referred to in (*a*) will be submitted for sanction.

57. *Contributions to Provincial Services.*—Under instructions contained in G.O., dated 2nd April 1887, No. 641 L., the actuals of 1893-94 have been adopted in the budget for the next year.

58. *Contributions to Municipalities.*—Under this head, the following items are provided for:—

	Rs.
(1) To the Vellore municipality for the upkeep of the dispensary at Vellore	1,200
(2) To the Vellore municipality for the upkeep of the lights at the Pálár bridge	100
(3) To the Walajapet municipality towards the upkeep of the dispensary at Walajapet	610
(4) To the Gudiyáttam municipality towards the upkeep of the dispensary at Gudiyáttam	450
Total ..	2,360

59. (*h*) *Miscellaneous.*—The provision of Rs. 4,360 made under this head comprises Rs. 4,270 for the lighting charges in unions and Rs. 90 for rewards for clubbing stray dogs, against Rs. 4,390 and Rs. 150 respectively during the current year. The net decrease of Rs. 120 is due to the reduction of provision made for the unions at Arcot, Ránipéttai, Tiruttani, Sholinghur, Kálahasti, Arkonam and Rénigunta under lighting charges, only partly counteracted by the introduction of a new provision of Rs. 70 for lighting the Chandragiri union. The provision under "Rewards for killing dogs" has been estimated as per requirements of the several boards.

60. *Total Grant III.*—The total assignments under this grant are distributed below between the district and the taluk boards :—

	Amount.	Percentage on the total assets.
	Rs.	
District board	23,340	13·27
Chittoor taluk board	16,540	27·44
Vellore do.	16,550	20·41
Ránipéttai do.	28,570	27·93
Arni do.	12,700	22·71
Total ..	97,700	20·55

61. *Grant IV.*—The estimated expenditure under this grant amounts to Rupees 24,580, against Rs. 23,950 in the current year, showing a net increase of Rs. 630 as explained below :—

(*a*) The work of the district board's office has considerably increased in recent years and is now very heavy, but the pay of the board's head clerk and head accountant who are responsible for the due performance of the work, and who do it very well, is considerably less than it is in some other large districts where the work to be done is, I believe, no more than is done here, *e.g.*, Tanjore, Malabar, Gódávari, Coimbatore and Salem. North Arcot has a larger number of result schools than any of these districts. It is second only to Gódávari in regard to the number of secondary schools, and only to Tanjore in regard to the number of hospitals and dispensaries. It has more sessional and primary schools than either Tanjore or Coimbatore and has as many Deputy Inspectors of Schools as any of the five districts named. It has more unions than any other district except Salem. The pay of the head clerk and head accountant in North Arcot is, however, less than in the other districts, where the head clerk's pay ranges from Rs. 70 to Rs. 80 and the head accountant's pay from Rs. 30 to Rs. 40. Under these circumstances, the board has thought it fair that the head clerk's pay in this district should be raised to Rs. 70 and that of the head accountant to Rs. 40. This increased provision is proposed to be met by transfers from some minor heads under the head of "Office contingencies," so that the total cost of establishment may be within the budget amount for the current year. The provision of Rs. 100 made for the travelling allowance of the district board's office establishment has been reduced by Rs. 60, and that under "Postal charges" and "Miscellaneous contingencies" by Rs. 120 and Rs. 200 respectively, as savings to this extent are expected in the current year and care will be taken that the provision now made is not exceeded in future. There is also a saving of Rs. 240 in the provision under fixed travelling allowance of the assistant engineer as explained in paragraph 31 *supra*. I beg that

Government will be pleased to accord its sanction to the proposed increase of pay to the head clerk and the head accountant. A proposition statement is herewith submitted.

(*b*) Provision has been made for the pay of a clerk on Rs. 10 and a bill-collector on Rs. 5 for the newly formed union of Peranambut and for the increased rate of pay to the clerk of the Chandragiri union office (from Rs. 7 to Rs. 10 per mensem) and the entertainment of a bill-collector on Rs. 5, on account of the recent introduction of house-tax in that union.

(*c*) Provision is also made for the entertainment of a second clerk in the Arni taluk board office on Rs. 10 per mensem, sanctioned in G.O., dated the 8th September 1894, Mis. No. 1733 L.

(*d*) The taluk board of Ránipéttai has proposed to increase the pay of the bill-collector of the Arkonam union from Rs. 5 to Rs. 6 per mensem in consideration of the additional work imposed on him of collecting market fees as already stated in paragraph 54 (*b*) *supra*.

62. The provision under contingencies and miscellaneous has been made with reference to the actual requirements.

63. The sum of Rs. 2,630 provided towards the cost of the "Controlling establishment at the Presidency" has been worked out at ·64 per cent. of the total receipts for 1893–94, as directed in G.O., dated 4th December 1894, No. 2527 L.

64. The increase of Rs. 120 in the provision made under "*Pensions*" represents the amount of pension at Rs. 10 per pensem, payable to Badai Sahib Ghattallah, darogah of the Muhammadan Orphan school at Arcot, recently taken over by the Vellore taluk board. The amount is to be paid out of the yeomiah allowance of Rs. 105–15–8 attached to the school.

65. *Reserve.*—For want of funds, it is not possible to provide a reserve (at 10 per cent. of the estimated receipts, as required by rule 27 of the local fund rules) for either the district board or any of the taluk boards except Ránipéttai, for which a sum of Rs. 3,740, calculated at 5 per cent., excluding provincial contribution, endowment and other special receipt has been provided, as the funds at the disposal of that board can admit of this margin, without any allotment from the district board.

66. Allotments from the district to taluk funds are distributed as follows :—

	Amount.	Percentage on total assets.
	Rs.	
(1) Chittoor taluk board	7,585	1·59
(2) Vellore do.	12,300	2·58
(3) Ránipéttai do.	..	..
(4) Arni do.	17,860	3·75
Total ..	37,745	7·94

67. *Closing Balance.*—The year is expected to close with a balance of Rs. 24,710 as per details given below :—

	Rs.
Union	420
Endowment	22,540
General	1,750
Total ..	24,710

From the President, District Board, North Arcot, dated Chittoor, 16th January 1895, No. 38-G1.

Abstract.—Submitting a map of the district as required by the rules.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 29th January 1895, No. 899.

With reference to the educational portion of the budget estimate of the North Arcot district board for 1895–96, I have the honour to make the following remarks :—

(i) It is not known whether any provision has been made under Grant I for the construction of suitable sheds for salary-results schools. If not, I would recommend that Rs. 500 be provided for the purpose.

(ii) The board has provided Rs. 8,350 for results stipends. The amount seems to be insufficient with reference to the actuals of 1893–94, which amounted to Rs. 9,453. A sum of Rs. 9,000 at least should be provided for the purpose.

(iii) An allotment of Rs. 17,300 has been made for results grants as against Rs. 16,800 for the current official year. I would urge the necessity of providing Rs. 19,000 at least under this head, as the actuals of 1892–93 and 1893–94 amounted, respectively, to Rs. 18,613 and Rs. 19,275.

From G. F. T. POWER, Esq., President, District Board, North Arcot, to the Chief Secretary to Government, dated Chittoor, 5th February 1895, No. 46-In.

In continuation of my letter No. 595-In., dated the 20th December last, giving cover to the budget estimate for 1895–96, I have the honour to say that, in statement I-B, a sum of Rs. 250 is provided against the head "Other establishment charges" under Grant I (*c*) establishment, for payment of contribution to the Public Works Department—(1) for the scrutiny of local fund plans and estimates, and (2) for the collection of local fund revenue. In G.O., dated 12th December 1894, No. 2582 L., however, a sum of Rs. 42 is shown as the probable debit to local funds and credit to Provincial Public Works establishment for item (1). As for item (2), a sum of Rs. 1,400 * being estimated as collection of local fund revenue by the Public Works Department, 5 per cent. of that amount payable to that department comes to Rs. 70. The total amount payable to the Public Works Department is, therefore, Rs. 42 + 70 = 112 or Rs. 110 in round number. It is requested that Government will be pleased to reduce the provision of Rs. 250 referred to above to Rs. 110, and to increase the allotment to taluk boards from Rupees 37,745 to Rs. 37,885 to meet the following items of expenditure :—

* *Vide* abstract statement of receipts and charges appended to the book of statements.

	Rs.
Lump provision to meet the house-rent of the hospital assistant of Arcot (*vide* penultimate portion of paragraph 44 of the budget covering letter)	20

The necessary corrections may be made in statement No. V.

2. The District Medical and Sanitary officer has recommended the supply of one copy of each of the books named in the margin for each of the local fund hospitals and dispensaries in the district. I request that Government will be pleased to include them in the list of books and periodicals given in paragraph 42 (*c*) of the covering letter and sanction their purchase. Provision will be made next year for their purchase by transfer from other heads.

1. Dr. Waring's Bazaar Medicines.
2. Dr. Sibthorpe's Clinical Manual.

From R. F. GRIMLEY, Esq., President, Taluk Board, North Arcot, to the President, District Board, North Arcot, dated Ránipéttai, 23rd January 1895, No. 211.

I have the honour to inform you that the pay of the midwife of the Tirupati hospital was temporarily reduced from Rs. 20 to Rs. 15 from 1st November 1893 as her work was found very unsatisfactory owing to her intemperate habits and that it was sanctioned by Government in its order, dated the 15th December 1893, No. 2799 L., Mis.

2. The District Medical and Sanitary officer having recommended the increase of pay to Rs. 20 stating that she has improved in her habits, the board has sanctioned the increase from 1st January 1895. I request that you will be good enough to obtain the sanction of Government for the same.

3. A copy of the board's resolution, together with the usual proposition statement, is herewith sent.

From the President, District Board, North Arcot, dated 21st February 1895, No. 63-In.

ABSTRACT.—Submitting statement of proposition for revision of establishments.

From G. F. T. POWER, Esq., President, District Board, North Arcot, to the Chief Secretary to Government, dated Chittoor, 23rd February 1895, No. 65-In.

In continuation of my letter, No. 46-In., dated the 5th instant, I have the honour to forward herewith a revised abstract statement of receipts and charges estimated for the ensuing official year 1895–96, to be substituted for the one submitted with the book of budget statements for the year. The revision is due to the adoption of the classification of the detailed items of receipts and charges found in the form of the budget estimate received from the Accountant-General.

2. I request also that, in statement No. V of the book of budget statements relating to hospitals and dispensaries, the sums of Rs. 42 and Rs. 30 included in Rs. 302 and Rs. 90, shown in column 37 against Palmanér hospital and Punganúru dispensary, may be ordered to be transferred to column 33 headed "*Rents*."

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 25th February 1895, No. 187.

I have the honour to state that the provision made in Grant III of the budget estimate of the District Board, North Arcot, for the maintenance of the dispensaries for the year 1895–96 is adequate with the exception of compensation for quarters to the hospital assistants attached to the Vellore and Arni taluk boards. The President, District Board, in his covering letter states that he will address Government separately on the subject.

ORDER—dated 11th March 1895, No. 463 L., Local and Municipal.

The estimated local fund receipts and charges of the North Arcot district for 1895–96, as passed by Government, are compared below with the budget and revised estimates for 1894–95 and the actuals of 1893–94 :—

REVISED ESTIMATE FOR 1894–95.

2. The current receipts and charges are now estimated at Rs. 4,05,630 and Rs. 4,25,070, respectively, against Rs. 3,89,390 and Rs. 4,10,660 in the sanctioned budget. The increase in the receipts, which occurs chiefly under land-cess, is counterbalanced in part by a decrease under tolls, while that in the charges appears under Grants I and III.

BUDGET ESTIMATE FOR 1895–96.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 4,02,750 against Rs. 4,05,630 in the revised estimate, the decrease, which appears mainly under land-cess, being partly made good by an increase under house-tax and avenues. The approval of Government should be obtained for the proposed opening of markets at Valapandal and Nakshatrakovil.

4. *Charges* (1).—The charges are set down at Rs. 4,12,870 against Rs. 4,25,070 in the revised estimate, the decrease being principally under Grants I and III and covered in part by an increase under Grant IV.

(2) *Grant I.*—In view of the remarks in paragraph 4 (1) of G.O., dated 6th October 1894, No. 1980 L., the reductions proposed in the maintenance grants

for the roads under the Vellore and Ránipéttai taluk boards cannot be approved. An addition of Rs. 3,000 will accordingly be made to the provision under Repairs—Communications in order to bring it up to the figure adopted in the budget for 1894–95. With reference to his suggestion in clause (i) of his letter read above the attention of the Director of Public Instruction will be drawn to paragraphs 23 (*e*) and 26 of the President's first letter from which it will be seen that an allotment of Rs. 200 has already been provided for the construction of school sheds, and that, for want of funds, no further provision could be made. The increase in the salary of the store watchman of the Engineer's office referred to in paragraph 31 of the President's first letter is approved.

(3) *Grant II.*—With reference to the Director's suggestion in clause (ii) of his letter it is observed that the provision for result stipends to teachers in boards' schools is Rs. 8,960 against the actual expenditure of Rs. 9,780 in 1893–94 and not Rs. 8,350 and Rs. 9,453, respectively, as stated by him. The assignment under results grants will be reduced to the figure adopted in the current year (Rs. 16,800), the increase proposed under the Arni taluk board, which already spends a disproportionate share of its income on education, being negatived. The additions to, and alterations in the educational establishments referred to in the appendix to statement IV-A and the proposition statement are sanctioned, with the exception of the proposed entertainment of additional masters or increases in the salaries of the existing teachers in the schools at Arugunda, Palmanér, Nagari, Kávérippákkam, Chendragiri, Desur, Thellai, Timiri, Pallur, Ponnai and Kadaladi.

(4) *Grant III.*—The remarks of the Sanitary Commissioner on the allotments for vaccination and sanitation should be expedited. The alterations in the establishments referred to in paragraphs 44 (2) (*e*) and (*f*), 50 (*a*) and 51 (*a*) of the President's first letter are sanctioned, but the additions proposed in paragraphs 44 (2) (*g*) and (3), 49 (*d*) and (*e*) and 56 (*a*) cannot be approved owing to want of funds. It is noticed that a large sum is expended annually in maintaining very many tank watchmen. The Board should consider whether this might not be more usefully devoted to digging wells in those villages where the water-supply is scanty. The proposed increase in the salary of the midwife attached to the Tirupati hospital from Rs. 15 to Rs. 20 per mensem referred to in the endorsement of the Surgeon-General read above is sanctioned. This proposal should not have been submitted separately but embodied in the budget as required in paragraph 2 of G.O., dated 14th June 1894, No. 1094 L. Under G.O., dated 21st December 1889, No. 2998 L., the sanction of Government is not required for the transfer of the Kolappalur market watchman to Kalasapakkam proposed in paragraph 54 (*d*) of the President's first letter. The provision of Rs. 40 for contribution to Provincial funds on account of the cutlers' establishment will be struck out with reference to G.O., dated 18th January 1895, No. 97 L.

(5) *Grant IV.*—The provision for the controlling establishments at the presidency should be Rs. 2,600 and not Rs. 2,630. The proposed increase in the salaries of the head clerk of the District Board's office and of the Local Fund head accountant from Rs. 49-8-0 and Rs. 27 per mensem, respectively, to Rs. 63 and Rs. 36 must be disallowed for want of funds. In paragraph 61 of the President's first letter the pensionary contributions payable by the District Board to Provincial funds on account of these clerks should not have been treated as part of their salaries.

5. *Reserve and Balance.*—For want of funds a reserve of Rs. 3,740, or only 1 per cent. of the estimated receipts, is provided. The budget, as revised by Government, closes with a balance of Rs. 23,890, of which Rs. 420 appertain to unions and Rs. 22,540 to endowments, leaving only Rs. 930, or considerably less than 1 per cent. of the receipts, available for general purposes. The beginning of the official year to which the budget relates is now so close at hand that it does not appear to be expedient to return the budget in order that it may be so revised that a balance and reserve up to the respective limits prescribed by Government may be provided, but the Government must impress upon the board and its President the necessity of considering with the greatest care, during the ensuing year, the means by which a reduction in the expenditure may be effected, and the budget for 1896–97 should be so framed that a reserve and balance equal to the amounts required by the rules may

be set aside. The retrenchment now ordered should be effected mainly in the charges under Grants II and III, for it is evident that the allotments under Grant I are already insufficient to keep the roads in even moderate order and the assignments under the former grants bear an unduly high proportion to the general total of receipts. It is observed that the unions in the district are allowed to form a heavy charge upon the taluk boards, the contributions to them amounting to Rs. 17,830 in 1894–95. It is inexpedient that funds raised by taxation of the inhabitants of the district generally should be expended to any large extent for the exclusive benefit of the small section of them who reside in unions, and steps should be taken in the ensuing year to render all unions as far as possible self-supporting. At present some of them collect no house-tax and others are allowed a contribution from general revenues which is in excess of the house-tax they levy. It is also observed that over Rupees 3,000 is provided for maintaining scavenging establishments in non-union villages. These can hardly be efficiently supervised and the money allotted for them is probably to a large extent thrown away. The deficits with which four of the markets are expected to close the year should be met by a loan or contribution from the general revenues as required in No. 25 of the Local Fund rules and the large balances which are expected to remain in favour of some of the remaining institutions should be spent on the maintenance of the roads leading to them so as to set the general funds free for expenditure on other purposes.

APPENDIX TO STATEMENT IV-A.

I.—Secondary Schools.

(*a*) *High School, Chittoor.*—A sum of Rs. 5,520 is provided under the head "Salaries of Masters" for the next year, against Rs. 5,990 put down for the current year.

The net decrease of Rs. 470 is accounted for as follows:—

(1) As recommended by the Educational officers the Muhammadan Department of the High School has been ordered to be detached from it and amalgamated with the Muhammadan Department of the Local Primary school. Owing to this separation, the estimated cost of the Muhammadan Department consisting of—

		Rs.
First Assistant on	... ...	20 per mensem.
Second do. on	... ...	15 „
Third do. on	... ...	10 „
	Total ...	45
	or 45 × 12 =	540

	Rs.
has been saved by the High school	— 540
(2) Provision is made for the biennial increment of Rs. 10 to the headmaster's pay for the whole of next year, whereas in the current year it was made for only seven months from 1st August 1894.	+ 50
(3) Similarly, the increment of Rs. 5 per mensem to the pay of the First Assistant Master of the High school shows an increase of	+ 20
Total ...	— 470

(*b*) *Middle School, Arcot.*—On the recommendation of the Educational officers, the Taluk Board of Vellore have proposed to entertain a scavenger on a monthly salary of Re. 1 in the Middle school and have made a provision of Rs. 12 accordingly. Under the rules for recognition of schools, a scavenger is very necessary for a school, especially of the Secondary grade; and it is therefore requested that Government will be pleased to sanction it.

(*c*) The strength of the Chandragiri Middle school having gone down very much, it is proposed to abolish the Middle department and to amalgamate the primary one with the Lower Primary school at the place.

(*d*) *Middle School, Arni.*—The provision made for this school under the head "Salaries of Masters" shows a net decrease of Rs. 48, which is explained thus:—

(1) There is a saving of Rs. 96 in the pay of the headmaster, the present incumbent drawing only the minimum pay of the appointment.

(2) The above decrease is only partly counterbalanced by an increased provision of Rs. 48 made to meet the biennial increments of the First, the Second and the Third Assistant Masters at Rs. 2, Re. 1 and Re. 1 per mensem, respectively.

(*e*) Increased provision is made for the supply of gymnastic apparatus, furniture and maps and books for the Wandiwash Secondary school, as they are essential for the permanent recognition of the school.

II.—Elementary Schools.

(*a*) The following are the three new schools provided for:—

Chittoor Taluk Board.

(1) Graemespet, { with a teacher on Rs. 5 and a sweeper on annas 8 per mensem, and other charges amounting to Rs. 43.

Vellore Taluk Board.

(2) Vadacheri, { with a teacher on Rs. 8 and a sweeper on annas 8 per mensem, and other charges amounting to Rs. 71.

(3) Muhammadan Orphan School at Arcot, { with two teachers—one on Rs. 8 and the other on Rs. 6—and a cook on Rs. 4 per mensem.

The school at Graemespet was opened on the 1st August 1894. The services of the Sixth Assistant Master on Rs. 5 of the Chittoor Primary school having been dispensed with, as being unnecessary, he was transferred to the Graemespet school.

School No. 2 is intended for the education of the Panchamas of Vadacheri.

No. 3—Muhammadan Orphan School at Arcot—is an endowed institution with a monthly fixed money allowance of Rs. 105-15-8 paid by Government. It was till recently managed by Badai Sahib Ghattallah—the Darogah—under the superintendence of the Sub-Collector. It has

been transferred to the management of the Vellore Taluk Board under Government Order, dated 12th October 1894 No. 2023 L., Mis. Besides the monthly allowance referred to above, the school has a further endowment of Rs. 2,533–5–10, Rs. 2,000 of which are invested in Government securities, and the rest being the interest on the above sum is lodged in the Postal Savings Bank. Steps are being taken to transfer this endowment fund to the taluk board. It is proposed to place the school under the immediate supervision of the Headmaster of the Yeomiah school at the place. A provision of Rs. 720 is made for dieting the orphans of the school.

(*b*) Provision is made for the following additional establishments in the existing schools :—

(1) The Muhammadan Department of the Chittoor High schools having been separated and amalgamated with the Local Primary school, the establishment of the Muhammadan branch of the latter, which consisted of only two teachers on Rs. 8 each per mensem, has been revised as follows :—

				RS.
First	Assistant Master on	...	...	12 per mensem.
Second	do. do. on	...	...	8 ,,
Third	do. do. on	...	...	7 ,,
Fourth	do. do. on	...	...	6 ,,

(2) The strength of the following schools having risen, provision is made for an additional teacher for each of them :—

		RS.
1.	Arugunda, 1 teacher on	8 per mensem.
2.	Palmanér, 1 teacher on	6 ,,
3.	Chaudaipalli, 1 teacher on	5 ,,

6.	Desur, 1 teacher on	7 ,,
7.	Thellar, 1 teacher on	8 ,,
8.	Kadaladi, 1 teacher on	6 ,,

* Sanctioned in G.O , No. 2268 L., Mis., dated 6th November 1894.

(*c*) The Yeomiah school at Arcot having risen in strength owing to the exertions, the Taluk Board President says, of the present Headmaster and his Assistants, it is proposed to raise their scale of pay as follows :—

	Present scale.	Proposed scale.
	RS.	RS.
Headmaster	15	25
First Assistant	12	14
Second Assistant	7	9
Third Assistant	7	7

(*d*) The strength of the Arcot Town Primary school having gone down, the services of one of the teachers on Rs. 5 have been dispensed with.

(*e*) As the schools at Kalakuthur and Katiperi under the Chittoor Taluk Board and Vigilapuram and Paipalayam under the Vellore Taluk Board do not thrive well, they will be abolished.

(*f*) The Panchama schools at Bungaripoliem and Kanipakkam under the Chittoor Board, and at Vengunam and Vinnamangalam under the Arni Board, and the Hindu School at Trichanur under the Ranipettai Board, have been transferred to Arugunda, Balakuppam, Wandiwash, Paiyur and Padipet respectively, where they were comparatively more needed. For the same reason, the Panchama school at Narasingapuram has been transferred to Mullavaram.

(*g*) The Ranipettai Taluk Board have proposed and provided for the revision of scales of many of their schools in the Walajah range by the adoption of the grading system detailed below as recommended by the Director of Public Instruction :—

The system is that—

For every school with up to 40 pupils, 1 teacher on Rs. 7 per mensem.
Do. above 40 and up to 60, 2 teachers on Rs. 8 and Rs. 6 per mensem.
Do. above 60 and up to 90, 3 teachers on Rs. 9, 7 and 6 per mensem.

Brought forward ...	139075	259440	249660	388735	372510	372510	(n) Represents— (a) Rs 2, being the amount of contribution paid by the ryots of Vikramasoli in Gudiyattam Taluk for constructing a tunnel. (b) Rs 11, do do do of Kalathur village for the construction of a village road to Kalathur (p) The decrease appears under the Vellore Taluk Board and has been eliminated in view of the fact that there has been no income under the head during the first 6 months. (q) The decrease is due to the omission of Rs 110 taken credit for the District Board in the budget on account of the refusal of the Director of Public Instruction to sanction a grant of half the amount of subscription for the "Indian Journal of Education" under the revised Grant-in-aid Code. Further, the budget provision referred to above was rather over estimated.

FOR ORDERS.

There is again a hopeless Budget. The receipts are more than they are likely to be again soon, as Rs. 6,000 came in as an arrear of land cess, & many of the other items have gone up slightly, yet there is next to nothing under balance & reserve, the allotment for roads is less than it was last year, although the G.O. reviewing the administration report considered it already insufficient, & almost no new works have been undertaken.

Para 61. of the Presdt's report shows that the money has gone to Grants II & III far more freely than it should have done, & that the District, though a poor one, can compare with Godavari, Tanjore, & Malabar in the number of its educational & medical institutions.

It is submitted that instead of letting matters go on § in this hand to mouth manner it would be better to send back the Budget for revision now.

W.C. 28.2.95 I am afraid that it is too late to send the budget back. The only thing that can well be done now is to say that Govt. have as the next official year is so close at hand passed the budget but that the question of reducing all needless expenditure under Grants II & III must be carefully considered during the coming year and proposals in view to ~~[illegible]~~ bringing the outlay

made these grants to more reasonable proportions when compared with the total receipts ~~made~~ be submitted

The estimated receipts from School fees and Provincial grants for Education will be reduced by Rs 40 and Rs 10 respectively, with reference to the orders passed in para 4 (3) below.

Revised Estimate for 1894-95

2. The current receipts and charges are now estimated at Rs 405630 and Rs 425070 respectively, against Rs 389390 and Rs 410660 in the sanctioned budget. The increase in the receipts which occurs chiefly under landcess is counterbalanced, in part, by a decrease under tolls while that in the Charges appears under Grants I and III.

Budget Estimate for 1895-96.

3. Receipts The receipts for the ensuing year are placed at Rs 402750 against Rs 405630 in the revised estimate, the decrease which appears mainly under landcess being partly made good by an increase under house tax and avenues.

The approval of Government should be obtained for the proposed opening of markets at Valapandal and Nakshatrakvil.

4. Charges (1) The Charges are set down at Rs 412870 against Rs 425070

in the revised estimate, the decrease being principally under Grants I and III and covered in part by an increase under Grant IV.

(2) Grant I. With reference to ~~the~~ his suggestion ~~of the Director of Public Instruction~~ in clause (i) of his letter of the Dir. of Pub. Instruction read above, ~~his~~ the attention will be drawn to paras 23(c) and 26 of the President's first letter, from which it will be seen that an allotment of Rs 200 has already been provided for the construction of school sheds and that for want of funds ~~an increased~~ no further provision could ~~not~~ be made. The increase of the salary of the store-watchman of the Engineer's office, referred to in para 31 of the President's first letter, is approved. ~~It is observed that the cost of the Local Fund Engineering Establishment amounts to 20.1 per cent of the proposed on works against the maximum of~~

In view of the remarks in para 4(i) of G.O. dated 6th Oct. 94 - No. 1980 L. the reductions proposed in the maintenance grants for the roads under the Vellore & Ranipettai Taluk Boards cannot be approved. An addition of Rs 3000 will accordingly be made to the provision under Repairs - Communications in order to bring it up to the ~~same~~ figure adopted in the Budget for 1894-95.

20

The assignment under Results Grants will be reduced to the figure adopted in the current year (Rs 16.800), the increase proposed under the Arni taluk board, which already spends a disproportionate share of its income on Education, being negatived.

The additions to and alterations in the Educational Establishments referred to in the appendix to Statt IV-A and the proposition statement, are sanctioned with the exception of the ~~following~~ proposed, ~~which must be disallowed for want of funds:-~~

(3) Grant II. With reference to the Director's suggestion in clause (ii) of his letter, it is observed that the provision for result stipends to teachers in Boards' Schools is Rs 8.960 against the actual expenditure of Rs 9.780 in 1893-94 and not Rs 8.350 and Rs 9.453 respectively, as stated by him. ~~The President will be requested to show cause why the additions to and alterations in the Educational Establishments proposed in the appendix to statement IV-A should not be summarily rejected with reference to para 2 of G.O. d/ 14th June 1894 No 1094 L, for ... of the necessary proposition statement.~~ ~~For the same reason~~ The ~~Director's proposal~~ in

It is noticed that a large sum is expended annually in maintaining very many tank watchmen. The Board should consider whether this might not be more usefully ~~done~~ devoted to digging wells in those villages where the water-supply is scanty.

The proposed increase of the salary of the midwife attached to the Tirupati hospital from Rs 15 to 20 per mensem, referred to in the Indorsement of the Surgeon General read above, is sanctioned. This proposal should not have been submitted separately, but embodied in the budget as required in para 2 of G.O. dt 14th June 1894 No 1094 L.

the Cutlers' Rains ~~38~~ will be struck out with reference to G.O. dt 18th January 1895 No 97 L.

appear to be expedient to return the Budget in order that it may be revised so that a balance and reserve up to the respective limits prescribed by Govt. may be provided, but the Govt. must impress upon the Board & its President the necessity of considering with the greatest care, during the ensuing year the means by which a reduction in the expenditure may be effected, & the Budget for 1896-97 should be so framed that a reserve and balance equal to the amounts required by the rules may be set aside. The retrenchment now ordered should be effected mainly in the charges under Grants II and III, for it is evident that the allotments under Grant I are already insufficient to keep the roads in even moderate order, and the assignments under the former grants bear unduly higher proportion to the general total of receipts. It is observed that the Unions in the District are allowed to form a heavy charge upon the Taluk Boards, the contributions to them amounting to Rs. 17.830 in 1894-95. It is inexpedient that funds raised by taxation of the inhabitants of the district generally should be expended ~~devoted~~ to any large extent ~~upon~~ for the exclusive ~~improving~~ benefit of the small section of them who reside in unions ~~villages~~, & steps shd be taken, in the ensuing year, to render all Unions as far as possible self supporting. At present some of them collect no housetax & others are allowed a contribution from general revenues which is in excess of the housetax they levy. It is also observed that over Rs 3000 is provided for maintaining scavenging establishments in non union villages. These can hardly be efficiently supervised & the money allotted for them ~~could probably be more usefully expended in other directions.~~ is probably to a larger extent thrown away.
