SIR,

Thro. the President, District Board, Sanjampur

In forwarding herewith a proposition Statement regard-
-ing the Entertainment of a temporary Establishment,
for Consideration and approval, I have the honor to
inform you that in the year 1892 (when there was
scarcity of water) the Board, in its resolution No 17
dated the 25th June 92 (Copy herewith submitted),
Sanctioned a sum of Rs 78 for the Entertainment of
a temporary Naistry (for 2 months) for supervising
relief works and for preparing Estimates for the
Construction and repairs of wells and drinking
water tanks; and the amount of Rs 78 was
paid when was objected to by the Treasury Dy.
Collector on the ground that Government sanction
is needed for the Entertainment of such tempo-
rary Establishments. I have therefore the honor
to request that Government will be pleased
to accord sanction to the Entertainment

GOVERNMENT OF MADRAS

Subject.

Submitting letter No 6099 dated
21st November 1894, from the
President Taluk Board Berhampore
requesting the Government to
accord sanction for the
entertainment of a temporary
establishment for supervising
relief works in 1892 and
enclosing a proposition from
Taluk Board Resolution No 17
dated 25th June 1892 and Taluk
Board Resolution No 3 dated
4th June 1894 - (with Reference)

Reference 3
9/11/95

In the Taluk Board's resolution dated 25th June 1892 a sum of Rs 78 was sanctioned to meet the cost of a temporary maistry and his establishment, but in the President's letter and in the proposition statement this amount is stated to be the pay of a maistry only for 2 months. This discrepancy and the delay which occurred since the date of the Taluk Board's second resolution dated 4th June 1894 in submitting the application should be explained.

No 8980

Dated, Berhampore, the 12th February 1895.

Sir,
Referring to the footnote No 18.1.95 of the President District Board Ganjam on the letter No 3 dated the 9th January 1895 of the Madras Government, I have the honor to inform you that only one maistry at a cost of Rs 78-00 was entertained for supervising relief works. The Taluk Board's Resolution dated the 25th June 92 therein referred to was unfortunately not worded accurately.

2. As for the delay which occurred since the date of the Taluk Board's Second Resolution dated 4th June 94 in submitting this application, I beg to submit as follows:-

" The Resolution of the Taluk Board applying for Government sanction was passed on the 4th June 94 and the President District Board

Board was duly requested on the 11th June 94 to apply for necessary Sanction:-

(2) The District Board made a reference thereon on the 21st of June, about the Submission of a proposition Statement &c

(3) The information not having been forthcoming in my office, the Tahsildar under whom the enquiry was made was asked on the 28th of that month to Submit the necessary information and he furnished it on the 13th of July on a reminder sent to him on the 5th of July. With this information the District Board was duly addressed on the 1st of August to apply for Govt. Sanction:-

(4) The District Board again made a reference thereon on the 6th of October asking me to Explain the Circumstances under which the enquiry was entertained. As the detailed information on this point could not be obtained in my office, I addressed the Tahsildar to Submit the information required, on receipt of which the Govt. was duly addressed on the 8th of Novr; and this letter seems to have been forwarded to Government & the President

District Board on the 13th of December 94.

3. It will be shown from the above that the delay was occasioned by the references made to this office & the District Board and those made to the Tahsildar & this office which were necessitated as the transaction took place so far back as 1892.

I have the honor to be,
Sir,
