(5) In the footnote to statement IX the numbers of pupils who appeared for and passed the standard examinations from all the Boards' Schools are shown as less than the numbers of those who, according to statement IV submitted by the Assistant Inspector of Schools, appeared for and passed the examinations from the salary result system schools alone, as shown below:—

Sir,

With reference to your footnote No 166 dated 19th October 1894, I have the honour to inform you that the excess in the number of miles of village roads maintained, referred to, is due to the marginally noted roads which are Taluk roads "being shown under village roads". I have made necessary alterations and a revised 4(a) statement so far as the Vellore Taluk Board is concerned is herewith submitted.

ENCLOSURES two

Local & Mun[illegible] Dept.
[illegible]RRENT No 3756B

FROM

G. F. T. Power Esquire

President, District Board,
North Arcot.

To

THE CHIEF SECRETARY TO GOVERNMENT,
LOCAL AND MUNICIPAL DEPARTMENT,
Madras.

Sir,

With reference to the final sentence of para 2 of Government Memorandum No 884 dated the 27th September last, I have the honor to furnish information on the several points therein referred to.

2. Clause (2) para 1. The difference between the sanctioned allotments for the year as shown in column 6 of statement No III and those entered in column 3 of statement I B, has already been explained at the end of the former statement. It is due to the fact that some of the sanctioned works were not executed during the year. They do not appear in statement No III and consequently the allotments sanctioned for them could not be shown therein

3. Clause (4). A revised statement III A so far as it relates to the Vellore Taluk Board is herewith submitted together with a copy of the District Board Engineer's letter No 2133 dated the 6th Ultimo

4. Clause (5). The Assistant Inspector of schools, 5th division has been asked to explain the discrepancy. His reply will be submitted to Government soon after receipt.

Cur No 3757

5. Clause (6). The area of the district is given as 7616 square miles in para 25 of the census report for 1891, but this report had not been received when the administration

report

report was prepared. The figures presumably include the area of the four municipalities which should be excluded to get at the local fund area. The census report does not, however, give the area of these municipalities.

6. Clause (9). The difference of Rs 93 (in round number) between the amount shown in para 30 of the report and that shown in column 11 of statement No VI is due to the following causes:—

(a) A sum of Rs 196-13-3 being the expenditure incurred on account of the repair of the Ranipettai market feeder road, has been included in the sum of Rs 536-13-3 shown against the Ranipettai market in column 11 of statement No VI. In statement III, it is included in the sum of Rs 2314-6-1 shown against item "66 Petty Works" under "Repairs Communications"—"Ranipettai Taluk Board". As this expenditure was not incurred on the improvement of the market directly, it has not been included in the sum of Rs 6,615 shown in para 30 of the report.

(b) Rs 62, being the cost of repairing the wall of the Muhammadan burial ground, Chittoor, was erroneously included in the amount of Rs 6,615 shown in para 30 of the report.

(c) The expenditure of Rs 41-1-1, on the repair of the Peranambut market was erroneously omitted to be shown in the endowment statement appended to the supplemental Treasury Account and in statement No VI. The Inspector of Local Fund Accounts has been requested by the Treasury Deputy Collector to make the necessary alterations in the endowment statement.

I have the honour to be,
Sir,
Your most obedient servant.

For President.

Sir,

With reference to your footnote No $\frac{166}{19-10-94}$ to the extract of memorandum of Government No 884 of the 27th September last, I have the honor to inform you that the figures given by me in Educational statement 4 are correct and the deficiency in the number presented and passed as shown in statement 9 seems to be due to the omission of figures of the Muhammadan schools of Vellore, Arni and Ranipettai Taluk Boards not having been included in the Consolidated statement 9 prepared in your office. The figures omitted are the following:—

	III standard		II standard		I standard.		Infant standard.	
	No. presented.	No passed.	No presented.	No passed.	No presented.	No passed.	No presented.	No passed.
Vellore Taluk Board	17	11	32	16	28	17	43	28
Arni — do —	5	3	7	5	13	2	13	10
Ranipettai — do —	6	4	6	3	9	7	1	1
Total	28 —	18,	45 —	24,	50 —	26,	57 —	39.

and if these be added to the figures given in statement 9, the totals tally with those given by me in statement 4.
