Order.

The Government considers that there will be no difficulty in finding the requisite funds for the construction of the daily market or for attending to the other sanitary needs of the town if the arts tax is introduced into the municipality. The municipal council will therefore be requested to consider this question & report the result to Government.

12/3/95 for order

It is submitted that Govt. does not wish to force the Council's hand in this matter. The remark in the G.O. was the usual remark made on ^{general} proposals of such a nature thrown out by either a Dist. officer or collector or other officer. It is not clear that the market is so urgently necessary that increased taxation should be imposed to permit of its erection, & the policy of putting on the arts tax for such an object or perhaps be open to question. Sir,

With reference to clause (2) para 4 of
G.O. dated 22nd January 1895 No. 103 &, I have
the honor to forward herewith a copy of the Council's
resolutions and to state that I cut the budget-
figures down in ^{every} ~~any~~ way that I could think of,
but could not get any savings with which to provide
funds for the acquisition of a site and the
erection of buildings for a daily market. The
small balance which is now left (according to the
Budget as revised by Government) will also show
this fact clearly. In these circumstances I can
only say that I concur in the view that a
daily market would be desirable, but do not
see how the idea is to be realized without an
increase

the Tirupattur Municipal budget for 1895-96
Resolution:—As regards the Collector's remarks
in the matter of a daily market, the Council
can only repeat that in the present state of
receipts there is no sufficient surplus for the
purpose of construction of a daily market. The
matter will receive attention at the time of
examining the budget for 1896-97.
