buildings. The contract was for Rs 2700 and odd. His contract was cancelled and in connection with it one S. Venkatarama Iyer late Municipal Councillor was sanctioned by the Government to be prosecuted for having had an interest in the above Hospital contract and he was a partner in trade of the above Rajappur.

Signatory no 2. Narayanasami Pillai was the toll contractor who has suffered at my hands owing to his conduct.

Signatory no 3. Anantharama Iyer was the manager at the time I assumed charge of this municipality in 1892. Enquiry was set on foot against him for tampering with the

the council's important record, and he was compelled by me to resign.

3. Having regard to chaotic state of the affairs of the Council when I entered upon my duty as a chairman, it fell to my lot to bring it into order and in thus endeavouring to accomplish it to the best of my ability and conscientiously I had to go against the inclinations of those who were under the impression that they had better rights ^{in the Board} than their appointments entitled them.

4. The Government is aware that their views calculated to ensure good to the public, have to be enforced upon them, and the enforcing authority has to incur their displeasure. It has so happened that in my administration

administration I had to do many
such things and have to do more.
It is not to be understood that I
personally do not share the views
of the Government, but on the
other hand I am fully convinced
of their usefulness. The petition is
returned.
