My dear Price

There seems to be some technical difficulty about Ellis' appointment. It appears that he ought to have got leave from the Municipality when he was appointed as Sanitary Engineer. Not having done so he has forfeited his appt. An order re-appointing him Engr. on his relief of Jones will settle that difficulty and the question of leave can be disposed of afterwards.

I have made all arrangements

for his beginning survey work to-morrow.

If you can at once have a manuscript order re-appointing him [illegible] it might save any question although it will admit that he has vacated the appt.

Perhaps an order directing him to revert to his appointment as Surveyor would be better & let the Accountant General or Contr raise any question they like

GOVERNMENT OF MADRAS

FORT ST. GEORGE,

2nd Feb. 1895.

My dear Rawlins,

I enclose a letter from Col. Moore about Ellis' reappointment as Madras Muni. Engineer, I should be obliged if you could kindly advise as to the best course to be taken under the circumstances.

If Ellis be now "reappointed" there will be a break in his pensionable service, as a reappoint-

ment order would admit that he vacated the post.

To merely order him to revert does not meet the difficulty.

The Commr. might perhaps be applied to to grant him leave, for the period during which he acted as S. Engr. ~~without allowances~~ but leave without allowances (and the Commrs. do not appear to have paid any part of Ellis' pay or allowances while he so acted ~~as~~ ~~San. Engr.~~) does not count for service, & it is not clear whether the grant of such leave would condone the break of service which would otherwise occur, or whether the grant of leave to take up another appointment, even though allowances were not paid during the course of it, can be held to ~~avoid any~~ cause no break of service. If the latter view can be correctly held the difficulty would be met without trouble.

My dear Price

Your d.o. of today regarding Ellis.

Ellis was practically on Extraordinary leave without allowances under Art 366 of the C.S.R. during the time he acted in Govt. Service, and the proper course is I think to supply the omission of a formal grant at the time, by granting him leave with retrospective effect now – The leave would then constitute an interruption of his continuous active service cancelling

GOVERNMENT OF MADRAS

FORT ST. GEORGE,

16th Feb. 1895

My dear Rawlins,

In the last part of your D.O. of the 2nd inst. on Ellis' case you say that "if the Municipality could be placed in the position of Govt. when it lends an officer to Foreign Service everything wd. be smoothed. But these rules are not applicable to the Municipality, — and Govt. wd. have to pay pension contribution".

[illegible] that may have been previously earned. but not an interruption or break of service within the meaning of 465 requiring condonation. If the Muncply cd be placed in the position of Govt. when it lends an officer to F. S. every thing wd be smoothed — but those rules are not applicable to the Municipality — and Govt. wd have to pay pension contribution!

I return Moore's letter

Yrs sincerely.

My dear Price,

Yours D.O. of the 16th ult. When Govt. shares the responsibility for an Officers pension with another body, it either takes a contribution from the latter, and takes the whole liability on itself or undertakes to discharge its share when the time comes by paying so much as may be chargeable to it by the Rule of proportions. This is of course only a contingent liability, and any cash payment in discharge of such future liability would be unwarranted by the Rules

nd would therefore require

As a matter of fact, however,
Govt. has in the present case
incurred no liability for Ellis'
pension, for when he has
completed 15 years service
Jones will himself be entitled
to count the time he was on
leave as service in his ap-
pointment, and two officers
cannot count service in

The rules regarding the

FOR ORDERS.

Please see notes & orders in G.O. $\frac{121\ M.}{3.2.94}$. It is not now known why no action was taken at the time to clear up the difficulty then pointed out. – The Commissioners might have been asked to grant Mr. Ellis leave of absence, but Col. Moore's note shows that no leave was granted.

If Mr. Ellis is now reappointed Municipal Engineer an admission that a break has occurred in his service, which will prevent him from counting his previous service towards pension, will have been made.

If on the other hand he is ordered to revert to his appointment, it appears that the difficulty will only be avoided & not met, & that if the Commissioners (who do not like Mr. Ellis) or the Acct. General ask questions afterwards the trouble will be more difficult than before to get over.

Under these circumstances it is suggested that the Commissioners be now applied to to grant leave to Mr. Ellis for the time that he was acting as Sanitary Engineer.

M. 2.95

The course suggested by the A.S. appears to be the best. I spoke to Col. Moore on the subject and he thinks that if the mistake which occurred

a D.O. from Mr. Rawlins in answer to C.S.'s D.O. of yesterday is submitted. The Municipality may be asked to grant the leave with retrospective effect, as this will not cause a break in service.

M. 2.95

is admitted and the Council moved to grant the leave there will be no difficulty raised.

The mistake of appointing Mr. Ellis as A.S. Sanitary Engineer was not discovered until the question of appointing some one to act as Munl. Engineer came up. It was then decided after discussion in Council to leave the matter alone for the present. Now of course it has to be dealt with. I thought it better before sending the papers up for orders to consult the Acct. General. It will be seen from his reply that pensionary contribution will have to be paid by Govt. for the time that Mr. E. was acting in its service.

CHIEF SECRETARIAT, MADRAS.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ ~~the following paper~~ :—

~~D.O. from the Prest. Madras Munl. Commn., dated 31st Jan. '95.~~

Order

H.E. the Govr. in C. regrets much that owing to an oversight the Commissioners ~~were~~ of the Madras Municipality ~~[illegible] of Government~~ were not ~~moved~~ prior to the appointment of Mr. R. E. Ellis to act as Sanitary Engineer to Government moved to ~~recommend~~ consent to ~~under Section 48 of the Madras Munl. Act as amended by Section 22 of 1892. The error was observed later on but it was then considered desirable ~~to~~ to not take action towards ~~[illegible]~~ rectifying it until ~~after~~ the Sanitary Engineer Mr. Jones returned to duty.

2 The President Madras Munl. Commn. will now be requested to move the Commrs. to ~~grant~~ consent to Mr. Ellis's being granted leave without [illegible]ence

~~In his letter read above~~ The President has brought it to the notice of the Madras Munl. Commission, ~~points out~~ that owing to the fact that the permission granted to the Municipal Engineer, Mr. Ellis, to act as San. Engr. to Govt. was not, at the time that he assumed charge of that appointment, formally recorded by the Commissioners, there arises, now that he has reverted to his original appointment, the technical difficulty that unless this permission be duly entered upon their proceedings a break will have occurred in Mr. Ellis' service which would prevent him from counting towards pension the time during which he has already served the Municipality as its Engineer.

2. In view of these facts, &

in order to prevent the loss of service which Mr. Ellis would other-wise suffer, H.E. the G. in C. resolves to request the Commrs. to formally grant Mr. Ellis extraordinary leave without allowances with retrospective effect for the period during which he acted as San. Engr. to Govt.

His Excellency the Governor in Council ~~regrets~~ much regrets that owing to an oversight the Commissioners of the Madras Municipality were not, prior to the appointments of Mr. R. E. Note.

With reference to the last para. of C.S.'s draft it is submitted that neither the Municipal Act nor the C.S. Regulations permit of Govt. making pensionary contribution in this case. The last sentence in Mr. Rawlins' D.O. does not appear to require it to be paid. He merely says that it wd. have to be paid supposing the Commrs. cd. be placed in the position of Govt. when it lends an officer to Foreign Service
