READ—the following papers :—

From the Superintending Engineer, VI Circle, dated 4th December 1894, No. 1351 T.C.
To the " VI " " 13th " " " 36 T.C.
From the " VI " " 11th " " " 1383 T.C.
To the " VI " " 18th " " " 38 T.C.

From W. HUGHES, Esq., Superintending Engineer, VI Circle, to the Chief Engineer for Irrigation, dated Trichinopoly, 18th February 1895, No. 1738 T.C.

I have the honour to inform you that the floods of November 1893 breached the Kodamurty right bank which forms the Municipal road (otherwise called the Tiru-tantoni road) from Worayur to toll-gate at Kodamurty bridge in Trichinopoly Municipality, and the Executive Engineer was ordered to close the breach at once and to restore the road, the cost of both slopes and 9 feet top width of bank only being borne by this department and that of road portion, such as gravelling, &c., to be recovered from the Municipality, as for purposes of a flood bank no gravelling is necessary.

2. The Chairman of the Municipal Council considered that the Public Works Department should bear the cost of the gravelling of the road and the matter was then referred for your orders in this office No. 1351 T.C., dated 4th December 1894. On receipt of your reply No. VI/ 36 T.C. of the 13th idem, the Executive Engineer was informed that the cost of gravelling the road should be borne by the Municipality under the rulings conveyed in G.O., No. 1456, dated 30th April 1877.

3. The Chairman of the Municipal Council, Trichinopoly, now states in his letter No. 253, dated 26th January 1895, which is a reply to a reference made to him by the Executive Engineer regarding the refund of Rs. 61-5-1 spent by this department in gravelling the top of the Kodamurty right bank, that the council are of opinion that the Government Order quoted above refers to the maintenance of the top surfaces, that the contribution is claimed for relaying a work which was necessitated by the floods, the consequences of which were remedied by this department, and that the principle accepted by Government by which a moiety of the cost of restoring the rail fencing on the roads running over the Cauvery and Kodamurty right banks was ordered to be borne by this department in G.O., No. 1712 W., dated 9th July 1894, applies to the present case also.

4. The concession granted in this Government Order was purely permissive and not a right, and I therefore request that orders of Government may be obtained for the payment of the above sum of Rs. 61-5-1 by the Municipality.

No. 44 I.

Submitted to Government. The cost of gravelling the Kodamurty right flood bank should, in the opinion of the undersigned, be met from Municipal funds.

(Signed) R. R. E. DRAKE-BROCKMAN, Colonel, R.E.,
21st Feb. 1895. Chief Engineer for Irrigation.

ORDER—dated 8th March 1895, No. 224 I., Public Works.

The cost of the work done by the Public Works Department, viz., Rs. 61-5-1, will be recovered from the Trichinopoly Municipality.
