SER,

With reference to Memorandum
No 363 dated 11th March 1895 I have
the honor to submit as follows.

7. Para 1. The amount referred to is the expected grant for the Gymnastic instruction and Drawing Master provided in the Budget statement of the Director of Public Instruction.

Para 4. The entry as opening balance, is a clerical mistake. There is no opening balance. The amount too, is incorrect as the interest on the funded capital is less than what was received in the current official year. The correct amount is 950. A revised statement I.A is enclosed.

Para 6. The difference is the result of the appointment of seven additional scavengers on R1-8 as each as per resolution of the Council dated 24th April 1894. The matter ought to have been submitted to the Government for sanction long ago, but this was not done as the same
