Looking to the wording of the
Go. on Great M. I think the Ellore
Council must be told that the remarks
have come don't affect the Go.
Otherwise he may not know what to do.

Next year I think no Budget orders
should say that so-so's remarks will
be awaited. The better form is to
say that "the provision is passed subject to
the remarks of ---". Then the provision
can be thoroughly gone into at the time, and
the order will always be complete. Under the
present system one never seems to know when
one's seen the last of these Budgets, it takes
a great deal of extra time to do them in sections
instead of all at once.

Sir,

I have the honor to state that the Tellore Munl Council estimates its expenditure on vaccination and conservancy during 1895-96 at Rs 550 and Rs 6510 respectively against Rs 450 and Rs 6950, the estimates for the current year. The enhanced provision for vaccination is explained in para 3(3) of the budget letter. The allotment for conservancy is 22.5 per cent of the estimated receipts. The proposed remission of the staff is approved.

2. Under Grant I, a sum of Rs 1500 is set apart for extending the slaughter-house and Rs 700 for improving drinking water sources.

I have the honor to be,
Sir,

Your most obedient servt.,
