It is a pity a man of better professional qualifications could not be got. But, as I have said before, ~~if~~ the promotion of men of comparatively inferior qualifications already in the service cannot be stopped. The appt. may be approved.

LOCAL AND MUNICIPAL DEPARTMENT.

Current No. 3781 L

From

The President, District Board,
North Arcot

FOR ORDERS.

From the President's letter dated 8th June 1893 No. 1136 L.F. (in G.O. dated 26th June 1893 No. 1409 L) it appears that Gopala Aiyangar, whose permanent post is Local Fund overseer in Salem on Rs 80 per mensem is only a matriculate and has passed the Taluk overseer's test and that he was appointed to act as Assistant Engineer, North Arcot, on Rs 150 per mensem as a temporary measure for six months, as competent man did not apply for it, the vacancy

vacancy being temporary. His tenure of office was then extended by six months under the sanction conveyed in G.O. dated 20th March 1894 No. 551 L, on the representation of the President (Mr. Le Fanu, not an easy master to please) that while in charge of the District Board Engineers office in addition to his own for two months in consequence of the privilege leave granted to Mr. Vivian, he discharged his duty in a thoroughly satisfactory manner and that he thus showed himself a capable officer. (His further retention in the appointment for a second term of nearly six months, i.e. till December 1894 was sanctioned in G.O. dated 18th September 1894 No. 1841 L, and the President now states that as the appoint-
has lately ~~fell~~ fallen permanently vacant, he has confirmed Gopala Aiyangar as Assistant Engineer on Rs 300 per mensem in anticipation of the sanction of Government, since he had an offer of an appointment from Godavari and the President did not wish to lose his services.

Mr. H.A. Stuart, in his letter in G.O. dated 27.10.93 No. 2400 L., recommending the man for charge allowance for the period during which he acted as Engineer, also speaks well of his work.

Orders are therefore solicited as to whether the President's action may be approved.

2. The transfer of the Wallajah Taluk and the Arkonam Division to the Assistant Engineer's Division referred to in para. 2 of the President's letter may be sanctioned.

G.O. 1744 L / 10-9-94

Sir,

I have the honor to state that Mr. Dwyer, the permanent Local Fund Assistant Engineer of this district having been confirmed in the appointment of Local Fund Engineer, Chingleput, I have confirmed M. R. Ry. R. Gopala Aiyangar, Acting Assistant Engineer, in this district in anticipation of the Sanction of Government. Gopala Aiyangar has done his work well. As he had an offer of an appointment from the President of the Godavari District Board and I did not wish to lose his services, I ventured to confirm him here. I beg that my action may be approved.

2. The District Board Engineer has now a heavy personal division, and in view to ensure better supervision, I have transferred the Wallajah Taluk and the Arkonam division from the Engineer's division to that of his Assistant, and solicit the Sanction of Government therefor under rule 14

of

of the Local Fund Public Works Rules.

3. The necessary proposition statement is submitted herewith.

I have the honour to be,

Sir,

Your most obedient servant

For President.
