SIR,

Referring to para (1) of G.O. No. 1987 M (Land) dated 19 December last, I have the honor to submit the following report regarding the delay in the acquisition of the land required by the Vellore Municipal Council for a burial ground.

2. The land in question measures 1-41 acres and is in close proximity to the Palur Bridge and to a Hindu Choultry. One Velayudha Chari durkhasted for the land (which is annexed on 17 December 1892 and the Tahsildar referred the application to the village officers and the Revenue Inspector for report in the usual course.

3. While the durkhast was pending, the Chairman of the Vellore Municipal Council wrote to the Tahsildar (letter, No. 641, dated the 20 May 1893) that this land was required by the

the Municipality for a burial-ground, and requested him not to assign it to any body.

On the strength of this letter, the Tahsildar rejected the application of Velayuda Chari on 30 June 1893.

4. Against this decision of the Tahsildar, Velayuda Chari appealed to the sub collector stating that the durkhast land was formerly held on patta by his father in 1857; that it was taken by government as a brick field when the Palar Bridge was constructed and that he still held patta for the trees standing on the land. The sub collector (Mr. Cowie) enquired into these allegations and after consulting the district Surgeon, Dr. Lancaster, assigned the land to the durkhast-dar Velayuda Chari, in his Proceedings.

Dis: No. ^{Rev} 407, dated the 31 October 1894 on the ground that Dr. Lancaster was of opinion that the site is not suitable for either a burning or a burial-ground and that it is much too near the bridge over the Palar to be suitable for the first named.

A copy of the above Proceedings was communicated to the Municipal Council in the beginning of November 1894. It seems to be clear that the land cannot be used as a burial-ground.
