SIR,

Referring to the Budget estimate of the Calicut Municipality for 1895-96, I have the honor to state that I have no remarks to offer on the provision therein made for Vaccination and Conservancy. The allotment for the latter purpose shows in contrast with the current year an increase of Rs 1970 and is equal to 18.5 per cent of the estimated receipts. The employment of the additional sweepers and scavengers proposed in paras 40 and 41 of the budget letter is necessary, and is accordingly recommended for sanction. The allotment for Conservancy is far below requirements, but I refrain from urging requisite improvements, pending the decision of Government as to the proposal to utilize a Tramway for Conservancy most desirable undertaking.
