Madras
Through the Sub-Collector
of Malabar

Sir,

I have the honor to forward herewith a byelaw proposed by the District Magistrate which the Council have resolved to submit to Government for sanction against swift driving through any of the streets within Municipal limits. This byelaw has been prepared on the proceedings of the District Magistrate Malabar in a Criminal case on the file of the Joint Magistrate of Malabar for swift driving. In the case under reference a poor girl at Tellicherry was killed and it is absolutely necessary that a byelaw of the nature now proposed should be in force for Cannanore where there are a great many jukkas and transits plying for hire between Tellicherry and Cannanore. The District Magistrate also proposed to frame a byelaw compelling all vehicles to carry a light during dark nights. This was considered not necessary as there is already one in force in the existing byelaws already in force.

I have the honor to be

Sir

Your most obedt. Servant
Chairman
