- 3 Para 4. The repair of the ^{mudali} Timmalai Street well was entrusted to a Councillor and when the work was progressing it was found necessary to dig the well deeper than was estimated for. The Councillor explains that the well was not completed owing to the insufficiency of the allotment. It has since been completed. As for the 2 wells in Timmathore Othavada Street, their repairs were found unnecessary as they are dry during the greater portion of the year and not much used by the residents.

I beg to refer the Government to paras
10 and 11 of the said letter.

3. On instituting criminal proceedings before the Head Assistant Magistrate of North Arcot against the owner of the Devady buildings for the recovery of arrears of taxes due, it was for the first time brought to light and decided that one Bala Munisawmy Chetty of Madras had become the owner of the buildings from 1883-84 to 1888-89. As the said Bala Munisawmy Chetty died and had no moveable property in the Municipality, a Civil suit was instituted in the Madras Court of Small Causes against the minor sons of the deceased and their guardian for the recovery of the taxes due from the year 1887-88 to 1888-89. The arrears due for the preceding years 1883-84 to 1886-87 being
