Sir,

Referring to the Conjecture
Munl Budget for 1895-96, I have the honor
to state that the provision therein made
for vaccination is sufficient and calls
for no notice. That for conservancy, how-
-ever, which forms 26.7 percent of the esti-
-mated receipts, is inadequate for require-
-ments. The plant employed by the Muni-
-cipality needs greatly to be improved and
added to, as pointed out to the Council
in my recent Inspection notes on the
town. I would therefore respectfully re-
-quest Govt to ask the Munl Council to
set aside a fixed sum annually for two
or 3 years in view to securing an ade-
-quate and better supply of plant.
