Sir

of a collector under the Act and to take order for the acquisition of the land, under section 17 of the Act I of 1894, as the land is urgently required.

5. The site now used as burning and burial ground by the Villagers of Arappalayam, is in close proximity to the Filterbeds of the Madura Municipal Head Water Works. Hence the necessity for the acquisition of a fresh site. As the present proposal is in effect, to benefit the Municipality, the cost of acquiring the land will have to be met by that body, and I have addressed the Chairman, in view to sanction of the Council being obtained for the estimated cost of the land. Though Board's Standing order No: 11/7, para 7, requires that the estimated cost shall be sanctioned before the draft declaration is submitted, I request that the rule may be relaxed in the present case in consideration of the urgency of the matter.

I have the honor to be
Sir
