be designated a Lower Secondary School and the rates prescribed in the School Fee Notification will have to be levied. This, the Council is of opinion, would result in the Collapse of the School. There is already a Lower Secondary School maintained by the London Mission Society and aided by the Municipal Council. As the optional Subject of the boys going out from the Municipal Rahimanpet Upper Primary School is Telugu and as this language is not taught in the London Mission School, the Council wishes to request the manager of the latter School to appoint a Telugu teacher in his School receiving the usual Salary Grant from the Council. If this is done, an application for allotment of funds will be submitted to Government.

A Copy of the Council's resolution on the Subject accompanies.

Sir,

With reference to para 3 of P.O.
No 87 in dated 19th January 1895 and
in continuation of my letter Refon
No 91 reg dated 5th March 1895, I have
the honor to state that upon the motion
of one of the Municipal Councillors the
Council at its meeting held on the
11th instant reconsidered the question
of raising the Standard in the Raki-
manpet Upper Primary School and
resolved to give no support to its previous
resolution on the Subject. If a higher
Standard is opened the School should
be

to the proposal of last meeting. The
Council would however be prepared to
give the usual Salary Grant to a Telugu
teacher if the Manager of London Mission
School would undertake to employ such
a man. This would take 60 Rupees, and
thus dispose of some of the Surplus.
