Sir,

I have the honor to report the following for the orders of Government

2. A special meeting was held by the Council on the 5th December 1894 to discuss measures for the preparation of budget for the year 1895-96, and, in accordance with the resolutions of that meeting, prepared the budget and the Covering letter explaining the variations therein and placed them again before the Council on the 15th idem for formal Sanction. At this meeting, the Council, having made no mention of the Subject at the previous meeting

meeting, for the first time resolved
that people falling under the last class
of Schedule A, should be exempted
from the operation of the profession
tax. I made no mention of this separately
in my covering letter, but forwarded
an extract from the Council's proceed-
ings to Government, with the budget
estimate. In G.O. No. 87 dated 19
January 1895, reviewing the budget,
nothing is said as to the approval or
disapproval of the Council's resolution
on this point. In the absence of any
distinct orders of Government, I
am doubtful as to whether I have
to act according to the Council's reso-
lution or not. I request the favour
of an early reply. I may remark
that I myself am in favour of the
lowest class being exempted for
a year or two at any rate, as this will
prevent the large increase in taxation,
which

Hence no orders
were passed in
the budget.

which has been the lot of this
Municipality during the last year
or two, from falling severely on the
very poor.

SIR,

In reply to Government
Endorsement No. 389
13. 3. 95, I have the honor
to state that in my opinion the exemption
asked for, may be allowed for two years.
There is, however, no reason to make it
permanent. There is force in the
Chairman's remark that taxation has been
rapidly forced up in Vaniyambady, of late years.

Order 418.4.95

As recommended by the
Collector, the postponement of
the levy of the tax on carts on the
last class of the schedule for
a period of two years from the
1st April 1895, is sanctioned.

18/3/95

Note
In para. 8 of G.O. of 12.7.93. No 706m, Report
pointed out that the funds required for the
preparation of the plan & scheme for the
water supply and drainage schemes be raised
by levying the tax on carts or by increasing the
rate of the tax on vehicles animals & carts. The
Council then proposed to raise the rate of tolls
from one-half to the maximum and to reduce the
rate of the house tax, but the sub. of 26.12.93. No
1773m, stated that provided the rate of tolls is increased
and the house tax is not reduced, it will sanction
the proposal to raise the rate of tolls. The levy
of the tax on carts and the increase in the rate of
tolls were proposed in the budget for 1894-95
No 282.94 to 228m, but on the representation
of the Municipal Council that its introduction
in that year would be a great hardship, the Govt.
ordered that its levy be postponed until the next
official year 1895-96. No 418.4.94. No 703m.
Credit has been taken in the budget for 1895-96 for
as an offset 1500 under this head. But the Council
now proposes to exempt on the ground of hardship
the last class of the schedule from payment of
tax. The Collector however only recommended
temporary exemption for
