CURRENT No. 995

THE CHIEF SECRETARY TO GOVERNMENT,

LOCAL AND MUNICIPAL DEPARTMENTS,

FORT ST. GEORGE.

(Through the Divisional Officer.)

Sir,

I have the honor to request that
you will be pleased to move Government
for a reconsideration of G.O. No 326 M
Misc: dated 10th March 1893 as to the
extension of the present municipal
limits to the South to a distance
of 2088 feet.

The reasons for the present
application are: -

- (a) The construction of a new cartstand
for which provision was made in the
budget of 1893-94
- (b) The inclusion of the bungalows
of Mr. Viriam and Revd Mr. Sander,
which are just outside the
present limits, the inmates of which,
from their proximity to the Municipality
enjoy all its benefits without
contributing anything towards its expenses.

In

In Revd: Scud der's Compound is situated the Mission Girls' School and if this place is to be properly conserved the extension of the present limits to the South becomes absolutely necessary -

(c) The Sanitary Commissioner in his last Inspection notes remarked about the insanitary condition of the hedg's surrounding these bungalows as also with reference to the luxuriant growth of prickly - pear there, but the Council is powerless to act as the place is just outside municipal limits -

I have the honor to be,

DEPT. CHIEF
18 MAR. 95

From de.

The present Sub Collector
expresses no opinion, but
he has only recently come
to Vellore.

The late Sub Collector Mr.
Cowie, who knew Vellore
well, did not advocate
the proposed extension of
the Municipal limits.

I was a poor deal in Vellore
last year, and from that

I know of the place, I am
of Mr. Cowie's opinion.

The proposed extension is

I think unnecessary -

The argument that the
occupants of the bungalows
in which Mr. Vivian (the
Local Fund Secretary) and the
Rev. Mr. Chamberlain (not
Mr. Scudder as stated by the
Chairman) reside "enjoy the
benefits of the Municipality
without contributing towards its
maintenance" is not conclusive.

Municipalities must grow
somewhere, and be constantly
pushing house just outside
Municipal limits.

Note

The argument that the extension is
contested for a cent stand is not noticed by the
Collector but seems weak. There must surely be
an alternative site within the limits.
