Enclosure.

SIR,

Referring to the Budget Estimate of the Cannanore Municipality for 1895-96, I have the honor to state that the provision therein made for vaccination is the same as that for the current year: that for Cussurancy is less by Rs. 30. The grant for the latter is about 24 percent of the estimated receipts.

2. I am of opinion that the plan for Cussurancy in this Municipality is absolutely insufficient to make more than a mere pretence of effecting the object of the District Municipality Act. I estimate that to meet requirements correctly & thoroughly viz. latrines, 20 Rubbish Carts, 12 Cussurancy Carts of 200 gallons capacity, 12 mounted Cussurancy buckets, and 10 cesspool carts (200 gallons capacity).

are required. The most urgently
required reform is an increase of
latrines and encrancy carts, and
I would respectfully suggest that
the Municipality be desired to
re-adjust the budget sufficiently
to provide for a first instalment of
both.

3. Under Grant I, a sum of Rs 800
is set apart for the construction
of a well and a latrine and Rs 700
for repair works.

I have the honor to be
Sir
