To

THE CHIEF SECRETARY TO GOVERNMENT,

LOCAL AND MUNICIPAL DEPARTMENTS,

FORT ST. GEORGE.

(Through the Divisional Officer.)

Sir,

With reference to your official memo, no 250 dated 22nd February 1895, reviewing the Vellore Municipal Budget for 1895-96, I have the honor to report as follows -

(1) From my covering letter one - would presume, as the Sanitary Commissioner naturally did, that it was the intention of the Council to erect 2 new vaccine depots, hence the inference, that the amount should be debited under Grant I and not Grant III. Such however was not the intention of the Council -

Under Grant III, 3(b) Vaccination Contingencies a provision of Rs. 400 was made. Out of this amount as much as Rs. 320 would be utilized in the purchase

purchase of calves, &c for vaccine purposes, and out of the balance of Rs 80 it was proposed to rent two buildings in which depots were to be established - hence the provision under grant. III. Had new buildings to be erected, the allotment would have been greater, and the expenditure would most certainly have been shown under grant I. New Works (b) Buildings.

(2) With reference to the omissions noted in clause 5, a proposition statement is now submitted - It was presumed that as the establishments relating to lighting and the Travellers' Bungalow were reduced since 1st April 1894, no proposition statement with reference to the Budget proposals for 1895-96 was necessary -

(3) In reply to clause 7, I have the honor to state that the Authority, under which the temporary water-supply establishment was entertained during the year, was G.O. dated 25th September 1893, No 1293 M, and resolution of the Council No 14 dated 21st May 1894 -

I have the honor to be,
Sir
