## MILITARY DEPARTMENT,

Fort Saint George 28<sup>th</sup> March 1895.Memorandum.

The cost of conserving the lines and public latrines of Native troops quartered within Municipal limits appears to be a legitimate charge on Municipal funds. The Local and Municipal Department is therefore requested to state whether the Municipal Councils concerned are willing to undertake the conservancy of the regimental lines within their jurisdiction. If they are not or if it is undesirable that the work should be carried out through Municipal Agency it should be mentioned what contribution they should be asked to pay in account thereof, as the Municipality of Bellary does now.

2. It is requested that the papers herewith forwarded may be transmitted to His Excellency the Commander-in-Chief direct together with the reply to this memo.
