dated 29.11.94. Stating that the
terms of the proposed bye-law
regarding the breaking in of
Horses and Other Animals are
unusually wide and that the
Council should revise it in such
a manner as to restrict the break-
ing in of horses and other animals

to certain roads or places and
certain hours.

Read also the report of the Sub-
Committee.

With reference to the suggestions
made by Government in G.O.
dated 29th November 1894 No.
1828 M. Ins. the Council resolves
the proposed bye-law in the
following manner.

"No horse, pony or bullock
shall be broken in on the public
roads, thorough fares, streets,
lanes, or open ground within
the Municipality except in the
Cantonment and the Civil
Lines and except between the
hours of 6 Am and 10 Am."

The Cantonment and Civil
Lines are allowed to be used for
breaking in horses for 4 hours
in the morning as they have the
bycoadest and the least fre-
quented roads and the other
portions of the Municipality
are thickly populated and the

The streets and lanes are
Comparatively narrow.
