 Municipal Office, Pabna
 Pabna, 1898
 To
 The Chief Secretary to Government
 Local and Municipal Department
 Madras
 Through the Sub Collector and Collector of
 Madras

I have the honor to forward herewith
 Copy of the resolution passed by the Council
 proposing to open a water-pandal for two
 months at a total cost of Rs 70, and to request
 that the sanction of Government may be obtained
 The requisite fund may be met from the Closing
 balance of 1895-96

2. The proposed expenditure is as detailed
 below:— Rs 20, being the monthly hire for a
 bandy to fetch water from the river a mile off,
 Rs 10, monthly pay for two (Brahmin) Servants,
 and Rs 5 Contingencies, which comes to Rs 35 a
 month. Thus the total cost for two months will
 be Rs 70, the lowest amount at which the
 water-pandal can possibly be maintained

3. There has been no sufficient rain
 during the last year, and the sun is intolerably
 scorching. Not a drop of potable water can be
 had in the town at present except in one or
 two wells, abnormally low in a degree, and far
 from the habitations. The opening of a water-
 pandal
