Sanitary Board Office,
Local Sanitation Dept.,
Fort St George 19th Mar 1895

CURRENT No. 1028/M

From

Surg^l Lt Col W. J. King, M.B., Ch., D.P.H.,
ag Sanitary Commissioner for Madras,
Secy (Local Sanitation Dept.) San'y Bd.

To

The Chief Secretary to Govt,
Local & Mmil Dept.

Sir,

With reference to the Salem
Mmil Budget for 1895-96, I have the honor
to state that the provision therein made
for vaccination is sufficient and calls for
no remarks. That for Conservancy is slightly
in advance of the current year's estimate
and forms 26.2 percent of the expected re-
ceipts. The additions to, and alterations in,
the staffs and salary of the conservancy ser-
vants proposed in paras 37 and 39 of the Chan-
man's letter are recommended for favour
of sanction.

2. Under Grant I, it is proposed to
construct a slaughter-house and a cholera shed

at

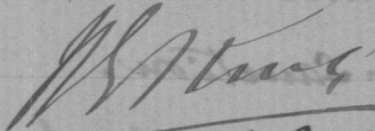

at a cost of Rs 547 and Rs 600 respectively. Rs 1,000 are set apart for improvements to latrines, Rs 200 for sinking a well, and Rs 2,000 for the investigation of a water-supply scheme. Under Repairs, a sum of Rs 2,300 is set apart for latrines, markets, slaughter-houses, and tanks and wells.

3. From the revised estimate for the current year it appears that the Council has allotted Rs 110 for sinking a well for the behoof of Pariahos. For the sum assigned for the purpose, I do not consider a correctly protected well can be secured. The Municipality should be required to consult the Dist Sanitary Officer and if further addition be desirable, the expenditure should be met from next year's budget. It is further observed that the Council has provided a sum of Rs 5,176 for the purchase of 17 iron latrines from Messrs Raju & Co., Madras. It is desirable that the pattern selected by the Muni Council should receive the approval of the Sanitary Board.

I have the honor to be,

Sir,

Your most obedient servt,

Surgeon Lt Col,

ag Sanitary Com^r for Madras,
Secy (Genl Sanitation Dept)
Smy Bd.
