GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From A. WELLS, Esq., Chairman, Municipal Council, Chicacole, to the Chief Secretary to Government, dated Chicacole, 14th March 1895, No. 212.

I have the honour to submit herewith the supplemental budget of the Chicacole Municipality for the year 1895–96 on account of the tolls and collection of cart-stand fees not having been leased out for want of competition at the time of auctioning the sales on the 1st instant, owing to the opening of the East Coast Railway, and owing to the then bidders having formed into a clique as stated already in paragraph 35 of letter No. 1069, dated 6th December 1894, embodied in G.O., dated 22nd January 1895, No. 102 M., Local and Municipal, and also on account of certain other changes made in the above Government Order at the recommendation of the Surgeon-General with the Government of Madras, &c.

2. *Tolls.*—It was originally estimated that tolls would fetch only Rs. 6,000 when leased out, and hence Rs. 3,000 were allotted as municipal share after deducting the Local Fund share. Now the gross toll income is estimated at Rs. 7,000 and a portion thereof, *i.e.*, Rs. 4,000, is provided in the revised budget for 1895–96 as municipal share, inasmuch as the originally budgeted figure (Rs. 3,000) was the net income to the Municipal Council, exclusive of any other charges that the council would have to incur had the tolls been managed departmentally. Though the gross income of tolls is shown as Rs. 7,000, yet the Local Fund and the Municipal shares are shown as Rs. 3,000 and Rs. 4,000, respectively, for the reason that the proposed toll establishment charges, &c., shown in Grant V (that is, Rs. 740 for establishment and Rs. 260 for contingencies, &c.) would be met only from the municipal share. Hence the net municipal share also would be Rs. 3,000 after deducting Rs. 1,000 for the tolls establishment charges. The share of the Local Fund Board will however be paid in the first week of the following month after deducting a moiety of the previous month's charges from the receipts of the same month.

3. With reference to last part of paragraph 3 of Government Order quoted above (review of the Chicacole Municipal budget for 1895–96), I have the honour to report that the Municipal Council, at its meeting held on the 12th February 1895, resolved to entertain a drawing master from the 1st April next as suggested, and to abolish the carpentry class (an extract from the proceedings of the meeting is herein enclosed). Hence a credit of Rs. 100 is taken under income from Provincial Funds as recommended by the Director of Public Instruction, Madras, in his letter quoted in the above Government Order. Consequently the total estimated receipts, exclusive of the opening balance for 1895–96 (including Rs. 1,000 under tolls income and Rs. 100 under provincial contributions for drawing masters, &c.), are Rs. 23,330.

4. The sum of Rs. 165 is added to the present establishment of the municipal schools on salary system after deducting Rs. 110, being eleven months' salary of the carpenter whose services will be dispensed with from 1st April next. In the same manner the sum of Rs. 70, being the carpentry contingency provided at first, is deducted from, and the sum of Rs. 35 for the purchase of drawing materials as suggested by the Director of Public Instruction is added to, the original amount of Rs. 380 under Grant II (2) Municipal schools—(*i*) on salary system—(*b*) Contingencies. Hence the corrected figures are now Rs. 5,670 and Rs. 350 under Grant II (2) Municipal schools—I (*a*) Establishment and I (*b*) Contingencies, respectively. Further, the headmaster of the present town school, who would be the 4th assistant of the high school from 1st April next when the former will be amalgamated with the latter school, having taken

leave for one year on loss of pay, an F.A., who passed the Language branch of the B.A. degree examination this year, was appointed in his stead on Rs. 35 only. So there is a saving of Rs. 60 under this head. Therefore the total charges under Grant II are Rs. 8,770.

5. With reference to paragraph 4 (3) of the above Government Order, I have to point out that the Municipal Council has already provided accommodation to the hospital assistant within the compound of the hospital, and hence there is no need of providing Rs. 60 for the quarters of the hospital assistant as recommended by the Surgeon-General with the Government of Madras. A sum of Rs. 200 has been allotted for tiling the roof of this building, which at present has a thatched roof. Therefore the sum of Rs. 60 provided for this purpose is added to the closing balance. Hence the total charges of the hospitals and dispensaries are Rs. 3,070, but not Rs. 3,130 as now shown in the Budget Government Order under reference. Also the total charges under Grant III are Rs. 7,230.

6. For the reason stated in paragraph (1) *supra*, the cart-stand fees also will have to be managed departmentally, and a bill collector on Rs. 5 per mensem for eleven months for the collection of cart-staud fees will be engaged from 1st April next. This is shown separately under Grant IV (2) (iii) Cart-stands—(*a*) Establishment, and Rs. 30 are also provided under (*b*) Contingencies for printing tickets, &c. Hence the total charges under Grant IV are Rs. 1,200 as per revised statement.

7. The council at its meeting held on the 8th March 1895 sanctioned the establishment shown in Statement II-B. As it is necessary that some responsible person should supervise the tolls establishment, the salary of one of the toll inspectors, viz., Rs. 10, will be given to the supervisor of works, who will be required to perform the duties of toll-gates inspector in addition and without prejudice to his own duties. Further, as the office establishment is at present very inadequately paid, an allowance of Rs. 5 each per mensem will be granted to the head clerk and 2nd clerk on account of the increase of work that will necessarily devolve on them when the collection of tolls, &c., is managed departmentally. I trust that Government will be pleased to accord its sanction to the establishment proposed and to the above arrangements. The total charges of Grant V are accordingly Rs. 2,790.

8. In accordance with the above the total charges of all the grants are Rs. 24,350 and the receipts, including the opening balance of Rs. 1,550, are Rs. 24,880, and the year 1895–96 closes with a balance of Rs. 530.

9. A revised statement II-B is herein enclosed for all the newly proposed establishments.

10. The usual proposition statement also is herein enclosed for revision of establishment, and this office figures will accordingly be corrected on the receipt of Government sanction.

Enclosures.

An extract from the proceedings of the special meeting of the Municipal Council, Chicacole, dated the 12th February 1895.

* * * * *

(1) Read G.O., dated 22nd January 1895, No. 102 M., reviewing the Chicacole Municipal budget for 1895–96.

Recorded.

2. The council approves of the appointment of the drawing master and sanctions a sum of Rs. 200 for the purpose as suggested by the Director of Public Instruction. The appointment should take place from the 1st April next. The council has further resolved to abolish the carpentry class from the 1st April next and dispense with the services of the carpenter, as the necessity of retaining this class does not commend itself to the council.

ABSTRACT.—Requesting sanction for the retention of the carpenter in the Municipal High School, Chicacole, &c.

ORDER—dated 26th April 1895, No. 704 M., Local and Municipal.

The alterations proposed by the municipal council in the budget estimate sanctioned in G.O., dated 22nd January 1895, No. 102 M., are approved. The closing balance will now be Rs. 350.

2. The entertainment of the cart-stand and toll establishments is sanctioned, but the Chairman is requested to state how toll-gate keepers can be found for salaries of only Rs. 3 or Rs. 2–8–0 each per mensem.

3. The increases in the salaries of the office establishment should be strictly temporary and should be discontinued as soon as the departmental management of the toll ceases.

TH MARCH 1895, No. M., LOCAL AND MUNICIPAL.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From A. WELLS, Esq., Chairman, Municipal Council, Chicacole, to the Chief Secretary to Government, dated Chicacole, 14th March 1895, No. 212.

I have the honour to submit herewith the supplemental budget of the Chicacole Municipality for the year 1895–96 on account of the tolls and collection of cart-stand fees not having been leased out for want of competition at the time of auctioning the sales on the 1st instant, owing to the opening of the East Coast Railway, and owing to the then bidders having formed into a clique as stated already in paragraph 35 of letter No. 1069, dated 6th December 1894, embodied in G.O., dated 22nd January 1895, No. 102 M., Local and Municipal, and also on account of certain other changes made in the above Government Order at the recommendation of the Surgeon-General with the Government of Madras, &c.

2. *Tolls.*—It was originally estimated that tolls would fetch only Rs. 6,000 when leased out, and hence Rs. 3,000 were allotted as municipal share after deducting portion thereof, *i.e.*, Rs. 4,000, is provided in the revised budget for 1895–96 as municipal share, inasmuch as the originally budgeted figure (Rs. 3,000) was the net income to the Municipal Council, exclusive of any other charges that the council would have to incur had the tolls been managed departmentally. Though the gross income of tolls is shown as Rs. 7,000, yet the Local Fund and the Municipal shares are shown as Rs. 3,000 and Rs. 4,000, respectively, for the reason that the proposed toll establishment charges, &c., shown in Grant V (that is, Rs. 740 for establishment and Rs. 260 for contingencies, &c.) would be met only from the municipal share. Hence the net municipal share also would be Rs. 3,000 after deducting Rs. 1,000 for the tolls establishment charges. The share of the Local Fund Board will however be paid in the first week of the following month after deducting a moiety of the previous month's charges from the receipts of the same month.

3. With reference to last part of paragraph 3 of Government Order quoted above (review of the Chicacole Municipal budget for 1895–96), I have the honour to report that the Municipal Council, at its meeting held on the 12th February 1895, resolved to entertain a drawing master from the 1st April next as suggested, and to abolish the carpentry class (an extract from the proceedings of the meeting is herein enclosed). Hence a credit of Rs. 100 is taken under income from Provincial Funds as recommended by the Director of Public Instruction, Madras, in his letter quoted in the above Government Order. Consequently the total estimated receipts, exclusive of the opening balance for 1895–96 (including Rs. 1,000 under tolls income and Rs. 100 under provincial contributions for drawing masters, &c.), are Rs. 23,330.

4. The sum of Rs. 165 is added to the present establishment of the municipal schools on salary system after deducting Rs. 110, being eleven months' salary of the carpenter whose services will be dispensed with from 1st April next. In the same manner the sum of Rs. 70, being the carpentry contingency provided at first, is deducted from, and the sum of Rs. 35 for the purchase of drawing materials as suggested by the Director of Public Instruction is added to, the original amount of Rs. 380 under Grant II (2) Municipal schools—(*i*) on salary system—(*b*) Contingencies. Hence the corrected figures are now Rs. 5,610 and Rs. 350 under Grant II (2) Municipal schools—

1 (*a*) Establishment and 1 (*b*) Contingencies, respectively. Further, the headmaster of the present town school, who would be the 4th assistant of the high school from 1st April next when the former will be amalgamated with the latter school, having taken leave for one year on loss of pay, a F.A., who passed the Language branch of the B.A. degree examination this year, was appointed in his stead on Rs. 35 only. So there is a saving of Rs. 60 under this head. Therefore the total charges under Grant II are Rs. 8,770.

5. With reference to paragraph 4 (3) of the above Government Order, I have to point out that the Municipal Council has already provided accommodation to the hospital assistant within the compound of the hospital, and hence there is no need of providing Rs. 60 for the quarters of the hospital assistant as recommended by the Surgeon-General with the Government of Madras. A sum of Rs. 200 has been allotted for tiling the roof of this building, which at present has a thatched roof. Therefore the sum of Rs. 60 provided for this purpose is added to the closing balance. Hence the total charges of the hospitals and dispensaries are Rs. 3,070, but not Rs. 3,130 as now shown in the Budget Government Order under reference. Also the total charges under Grant III are Rs. 7,230.

6. For the reason stated in paragraph (1) *supra*, the cart-stand fees also will have to be managed departmentally, and a bill collector on Rs. 5 per mensem for eleven months for the collection of cart-stand fees will be engaged from 1st April next. This is shown separately under Grant IV (2) (iii) Cart-stands—(*a*) Establishment, and Rs. 30 are also provided under (*b*) Contingencies for printing tickets, &c. Hence the total charges under Grant IV are Rs. 1,200 as per revised statement.

7. The council at its meeting held on the 8th March 1895 sanctioned the establishment shown in Statement II-B. As it is necessary that some responsible person should supervise the tolls establishment, the salary of one of the toll inspectors, viz., Rs. 10, will be given to the supervisor of works, who will be required to perform the duties of toll-gates inspector in addition and without prejudice to his own duties. Further, as the office establishment is at present very inadequately paid, an allowance of Rs. 5 each per mensem will be granted to the head clerk and 2nd clerk on account of the increase of work that will necessarily devolve on them when the collection of tolls, &c., is managed departmentally. I trust that Government will be pleased to accord its sanction to the establishment proposed and to the above arrangements. The total charges of Grant V are accordingly Rs. 2,790.

8. In accordance with the above the total charges of all the grants are Rs. 24,350 and the receipts, including the opening balance of Rs. 1,550, are Rs. 24,880, and the year 1895–96 closes with a balance of Rs. 530.

9. A revised statement II-B is herein enclosed for all the newly proposed establishments.

10. The usual proposition statement also is herein enclosed for revision of establishment, and this office figures will accordingly be corrected on the receipt of Government sanction.

Enclosures.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

Read—the following paper:—

From A. WELLS, Esq., Chairman, Municipal Council, Chicacole, to the Chief Secretary to Government, dated Chicacole, 14th March 1895, No. 212.

I have the honour to submit herewith the supplemental budget of the Chicacole Municipality for the year 1895–96 on account of the tolls and collection of cart-stand fees not having been leased out for want of competition at the time of auctioning the sales on the 1st instant, owing to the opening of the East Coast Railway, and owing to the then bidders having formed into a clique as stated already in paragraph 35 of letter No. 1069, dated 6th December 1894, embodied in G.O., dated 22nd January 1895, No. 102 M., Local and Municipal, and also on account of certain other changes made in the above Government Order at the recommendation of the Surgeon-General with the Government of Madras, &c.

2. *Tolls.*—It was originally estimated that tolls would fetch only Rs. 6,000 when leased out, and hence Rs. 3,000 were allotted as municipal share after deducting the Local Fund share. Now the gross toll income is estimated at Rs. 7,000 and a portion thereof, *i.e.*, Rs. 4,000, is provided in the revised budget for 1895–96 as municipal share, inasmuch as the originally budgeted figure (Rs. 3,000) was the net income to the Municipal Council, exclusive of any other charges that the council would have to incur had the tolls been managed departmentally. Though the gross income of tolls is shown as Rs. 7,000, yet the Local Fund and the Municipal shares are shown as Rs. 3,000 and Rs. 4,000, respectively, for the reason that the proposed toll establishment charges, &c., shown in Grant V (that is, Rs. 740 for establishment and Rs. 260 for contingencies, &c.) would be met only from the municipal share. Hence the net municipal share also would be Rs. 3,000 after deducting Rs. 1,000 for the tolls establishment charges. The share of the Local Fund Board will however be paid in the first week of the following month after deducting a moiety of the previous month's charges from the receipts of the same month.

3. With reference to last part of paragraph 3 of Government Order quoted above (review of the Chicacole Municipal budget for 1895–96), I have the honour to report that the Municipal Council, at its meeting held on the 12th February 1895, resolved to entertain a drawing master from the 1st April next as suggested, and to abolish the carpentry class (an extract from the proceedings of the meeting is herein enclosed). Hence a credit of Rs. 100 is taken under income from Provincial Funds as recommended by the Director of Public Instruction, Madras, in his letter quoted in the above Government Order. Consequently the total estimated receipts, exclusive of the opening balance for 1895–96 (including Rs. 1,000 under tolls income and Rs. 100 under provincial contributions for drawing masters, &c.), are Rs. 23,330.

4. The sum of Rs. 165 is added to the present establishment of the municipal schools on salary system after deducting Rs. 110, being eleven months' salary of the carpenter whose services will be dispensed with from 1st April next. In the same manner the sum of Rs. 70, being the carpentry contingency provided at first, is deducted from, and the sum of Rs. 35 for the purchase of drawing materials as suggested by the Director of Public Instruction is added to, the original amount of Rs. 380 under Grant II (2) Municipal schools—(*i*) on salary system—(*b*) Contingencies. Hence the corrected figures are now Rs. 5,670 and Rs. 350 under Grant II (2) Municipal schools—1 (*a*) Establishment and 1 (*b*) Contingencies, respectively. Further, the headmaster of the present town school, who would be the 4th assistant of the high school from 1st April next when the former will be amalgamated with the latter school, having taken leave for one year on loss of pay, an F.A., who passed the Language branch of the B.A. degree examination this year, was appointed in his stead on Rs. 35 only. So there is a saving of Rs. 60 under this head. Therefore the total charges under Grant II are Rs. 8,770.

5. With reference to paragraph 4 (3) of the above Government Order, I have to point out that the Municipal Council has already provided accommodation to the hospital assistant within the compound of the hospital, and hence there is no need of providing Rs. 60 for the quarters of the hospital assistant as recommended by the Surgeon-General with the Government of Madras. A sum of Rs. 200 has been allotted for tiling the roof of this building, which at present has a thatched roof. Therefore the sum of Rs. 60 provided for this purpose is added to the closing balance. Hence the total charges of the hospitals and dispensaries are Rs. 3,070, but not Rs. 3,130 as now shown in the Budget Government Order under reference. Also the total charges under Grant III are Rs. 7,230.

6. For the reason stated in paragraph (1) *supra*, the cart-stand fees also will have to be managed departmentally, and a bill collector on Rs. 5 per mensem for eleven months for the collection of cart-stand fees will be engaged from 1st April next. This is shown separately under Grant IV (2) (iii) Cart-stands—(*a*) Establishment, and Rs. 30 are also provided under (*b*) Contingencies for printing tickets, &c. Hence the total charges under Grant IV are Rs. 1,200 as per revised statement.

7. The council at its meeting held on the 8th March 1895 sanctioned the establishment shown in Statement II-B. As it is necessary that some responsible person should supervise the tolls establishment, the salary of one of the toll inspectors, viz., Rs. 10, will be given to the supervisor of works, who will be required to perform the duties of toll-gates inspector in addition and without prejudice to his own duties. Further, as the office establishment is at present very inadequately paid, an allowance of Rs. 5 each per mensem will be granted to the head clerk and 2nd clerk on account of the increase of work that will necessarily devolve on them when the collection of tolls, &c., is managed departmentally. I trust that Government will be pleased to accord its sanction to the establishment proposed and to the above arrangements. The total charges of Grant V are accordingly Rs. 2,790.

8. In accordance with the above the total charges of all the grants are Rs. 24,350 and the receipts, including the opening balance of Rs. 1,550, are Rs. 24,880, and the year 1895–96 closes with a balance of Rs. 530.

9. A revised statement II-B is herein enclosed for all the newly proposed establishments.

10. The usual proposition statement also is herein enclosed for revision of establishment, and this office figures will accordingly be corrected on the receipt of Government sanction.

From the Chairman, Municipal Council, Chicacole, dated 25th March 1895, No. 255.

Abstract.—Requesting sanction for the retention of the carpenter in the Municipal High School, Chicacole.

Order—dated 26th April 1895, No. 704 M., Local and Municipal.

The alterations proposed by the municipal council in the budget estimate sanctioned in G.O., dated 22nd January 1895, No. 102 M., are approved. The closing balance will now be Rs. 350.

2. The entertainment of the cart-stand and toll establishments is sanctioned, but the Chairman is requested to state how toll-gate keepers can be found for salaries of only Rs. 3 or Rs. 2–8–0 each per mensem.

3. The increases in the salaries of the office establishment should be strictly temporary, and should be discontinued as soon as the departmental management of the tolls ceases.
