Abstract.—Stating that the sale, by the Karúr Municipal Council, of the lane referred to, was not of itself illegal or *ultra vires*, and publishing, for information and criticism, a rule framed under section 256 (1) regarding transfer of property vested in a Municipal Council.

Order—dated 20th February 1889, No. 210 M., Local and Municipal.

In the Government order read above, the following draft rule, which it was proposed to issue under section 250 (1) (*g*) of the District Municipalities Act, was notified for general information and criticism under section 256 (1) :—"No property vested in a Municipal Council shall be transferred by sale, mortgage, exchange or otherwise without the sanction of the Governor in Council." The letters read above contain the remarks and suggestions made by certain Municipal Councils and Collectors, with reference to this notification.

2. His Excellency in Council, after careful consideration of these papers, remains of opinion that all transfers of *immovable* property by Municipal Councils should be subject to the sanction of Government. As regards movables, however, he admits the force of the objections that have been raised by the majority of the Collectors and Councils who have reported, viz., that the extension of the rule to this class of property would unnecessarily restrict the freedom of the Councils and would create a large amount of correspondence on trivial matters. The draft rule will accordingly be modified by the insertion of the word "*immovable*" before "*property*," and will be enacted in this form under section 250 (1) (*g*) of the Act.

3. The following notification will be published in all District Gazettes in English and in a vernacular language of the district :—

NOTIFICATION.

The Right Honorable the Governor in Council is pleased, under section 250 (1) (*g*) of the District Municipalities Act IV of 1884, to issue the following rule regarding the conditions on which immovable property vested in Municipal Councils may be transferred. The rule shall come into force in each district three months after its publication in the District Gazette in English and in a vernacular language of the district :—

RULE.

No immovable property vested in a Municipal Council shall be transferred by sale, mortgage, exchange or otherwise, without the sanction of the Governor in Council.

4. The Translators to Government will furnish the necessary translations of the above notification, and the Superintendent, Government Press, will print the required number of copies in English and the Vernaculars and forward them to the Collectors for publication. Each Collector will report the date of publication in his District Gazette.
