Note for H.M.

The sum of Rs 44000 referred to in Govt
 1st May 1895 No 713 H was originally granted
 for carrying out certain improvements to the lake.
 In the budget for 1895-96, this amount is accordingly
 shown under Works - water supply - Rs 44000.
 In connection with the improve-
 ments recently suggested to the Marlinwood water supply
 the Municipal Council proposed to draw from the
 above sum to carry out the necessary urgent works.

But this is no answer to
 the question - What
 was asked was, whether if
 the sum of Rs 44000 was actually paid.

in '94-'95 and is also provided
in the budget for '95-'96, it is
not now available for transfer
to something else?

Note for H. M.

In the budget estimate of Provincial
grants and loans to municipalities for
1894-95, provision had been made for a grant
of Rs 44,000 towards the proposed im-
provements to the Mahimund reservoir
at Botacammund. At the time of framing
the revised estimate for the same year,
it was thought that, as no definite
scheme had yet been settled, there would
be no necessity for the grant in that
year, and the provision was accordingly
transferred to the budget for 1895-96
in which it was entered as Rs 45,000. —
vide, the statement in G.O. dated 15th De-
cember 1894, No 1107. Financially, these
alterations were likewise made in the
municipal budget for 1895-96 — vide, G.O.
dated 18th March 1895, No 465. In his
letter, dated of 1st May, 1895, No 713. In, however, the Chairman
reported that the grant of Rs 44,000 on
account of the Mahimund reservoir had
been drawn in 1894-95, and he requested
that the necessary corrections might be made
in the municipal budget for 1895-96.

As the grant of Rs 44,000 had actually
been drawn in 1894-95, the sum of Rs 45,000
provided on this account in the Provincial
budget for 1895-96, will be available for
allocation to other works.
