Copy of letter No. 1718 dated 21. 11. 94 from
the assistant Inspector of Schools, Second
Division, to the Vice President, District
Board, Kistna.

LOCAL MUNICIPAL DEPT.

OFFICE NO. 3809 L

With reference to your P. C. No. 2113 dated
2. 11. 94, I have the honor to state that the
number of boys and girls in the Secondary
Schools is 1002 and 90 respectively, and
not 998 + 90 as shown in statement I sent
to you by the Assistant Inspector of
Schools of the Lake 3rd Division. The total
no. of boys and girls in all the Board Schools
would then be 9100 and 2114. Still there is
a difference of ¹²2 boys and 1 girl between
statement I and IX which appears to be
due to the fact that 6 boys and 1 girl are
entered in the Lower Secondary Department
of the Kankipadu School instead of 4 boys
only.

2. The figures given in statement
I do not in several cases agree with those
furnished in the educational statements
I to IX, the classification of schools in
the two kinds of statements being based
on different principles. The number of

3/3809/94

pupils that are eligible for grant from Local Funds only, appear in statement X, while the statement IV shows the pupils examined for grants payable from Provincial as well as Local Funds—

3. The total number of schools actually examined for results grants was 809.

4. Statements showing the working of the Secondary Sessional & Industrial Schools are enclosed. The information re: the number of villages visited &c. by Inspecting School Masters was sent to you with the Cate 3rd Division Assistant Superiors No. 1364, dated 18.7.94.

14/12/94

Submitted to the Chief Secretary to Govt. Local & Municipal Department in continuation of this office Ref on Cus. 2113 dated 21.3.94. Copies of statements showing the working of the Secondary Sessional and Industrial Schools are enclosed—
