SIR,

One J. C. Bastian who has passed the Matriculation examination with his Hand writing Test and who was formerly a signaller in the Government Telegraph Department, has applied for an appointment in the Local Fund Service and I am inclined to give him an account-
-ant's place on Rs 40. It appears however that he was dismissed from the Telegraph Depart-
-ment on suspicion of having attempted to
divulge a message though there does not appear to have been any imputation against him of Criminality or malversation which would debar him from re-employment in
public
