I have the honour to
submit herewith the information called
for in G. O. dated 30th January 1895 No 1422
reviewing the budget estimate of this
municipality for 1895-96.

2 With regard to the occupation
of road margins, I beg to report that
~~there~~ no specific rules ^{were} passed by the
Council. In G. O. dated 7th May 1889
No 533 M. M. Government sanctioned
the proposal of the Council to levy fees for
the occupation of the sides of public streets.
Accordingly persons putting up stalls
or otherwise using the road margins
are charged at the rate of 2 annas per
square yard.

per square yard per year.

3 Rs 120 had to be transferred from the Closing balance on account of the Salary of the water supply coolies owing to an excess expenditure under works, under grant I.

4 For want of funds the Council cannot allot Rs 400 on account of building and furniture grants to schools. nor can it undertake the employment of a drawing master at present. Copy of resolution is enclosed.

FOR ORDERS.

The Council have apparently taken
ample advantage of the approval of the
system of charging rent for occupation
of road sides given in G.O. 533 M
7-5-89, for
they selected an income of Rs 1100 &
odd from three rents at the higher rate
which they originally proposed to charge.

Submitted that they may be told
that Govt. with draws the ^{general} approval of
the system given in the G.O. quoted, &
Considers that no occupation of any
street should be permitted on any
terms if it in any way narrows the
available road way, & that no leases
should be renewed in cases where any
such narrowing occurs, & that the
greatest care should be used in granting
any new leases.

M.S. 4/5

24/4/95

I think we may say
this, but I don't think
we need generally withdraw
the sanction given in the
G.O. of 89 - so long as no
obstruction is caused
thereby & that it does
harm & no one is bound
to set them up or pay for the
ground occupied unless he
likes

2. With reference to para 2 of the
Chairman's letter it is observed
that it was never the intention
of Government that the occupa-
tion of road margins should be
permitted except under the
strictest supervision and that
wherever ^{duly supervision} ~~the~~ roads to cause
obstruction or narrow the
available roadway it is highly
objectionable. From the large
sum which appears to be annual
received by the Council in payment
for ~~such~~ ^{of these margins} occupation it seems
not improbable that leases
have been granted without due
consideration ^{of the funds allotted to roads} ~~of these facts~~. If
so they should be cancelled at
the earliest opportunity and the
greatest care should be ob-
served in granting new ones.

3. The ~~estate~~ allotment referred
to in para 3 is, under the cir-
cumstances now reported,
approved.
