ORDER.

As a matter of principle it is desirable that the District Medical and Sanitary Officer should be a member of the Municipal Council at the headquarters of the district and attend its meetings, and the fact that Surgeon-Major Reeves has hospital and jail duties in addition to attend to does not, in the opinion of Government, present any insuperable obstacle to his doing so. On the Government contrary the Government considers that it would be well if he would occasionally make his visits to these institutions other than at fixed hours in the early morning. The M^r. be deputed to visit the Jail on the mornings on which the meetings of the M^r. Council are held. This is a duty which he has to perform for some weeks at a time when the Dist. M^r. Officer is on tour and there is no reason why he should not attend both occasionally when his superior is at the Headquarters.

The Chairman will accommodate him,

Read again G.O. d/ 27th March 1895, No. 551 M.

and Read C. No. 1307 M.

FOR ORDERS.

Please see the notes and orders
in the Government Order read above.

It is observed that Surgeon Major
Reeves has not only the jail but the hos-
pital also to attend to in the mornings
and probably, as is usually the case,
from about 7 O'clock to 10 O'clock are
the hours for out-patients.

From his letter Surgeon-Major
Reeves does not appear very anxious to
remain a member of the Council and even
if he ceases to ^{be one} have this need not sever
his connection with it entirely since
he can always appear, with the Chairman's
consent under Sec. 30(8), and address it
when any of his special subjects are
under discussion.

It is submitted that it would be
best to permit him to resign and to
appoint the Assistant Collector in his
stead.

I think as a matter of
principle the D.M. & C. should
be a member of the Muni. C.
at headquarters. His arguments
as to his duties at the jail
& hospital do not impress me
as forcible - There is no absolute
necessity that I can see, that
he should every day go to jail &
hospital - On the contrary, he has
an ~~assistant~~ Surgeon, and the medical
service of the district is thus so
organized as to allow of his
absence from jail & hospital
not merely for an occasional day
but for weeks at a time. Moreover,
it would be good both for jail &
hospital, if he did not always
visit at the same early hour
in the morning, but sometimes
be at midday - No doubt,
if he asks the ~~Chief~~ Chairman,
that officer will arrange to
take ~~medical~~ sanitary matters
first at meetings with them
assist Mr. Reeves, who must
manage in future to attend
a fair proportion of both meetings.
I don't observe, by the way,
that other doctors raise these
difficulties.

orders

Please see the notes and
orders in the government order
read above. From the explanation
of Surgeon Major Reeves now submitted
by the collector, it appears that the
difficulty complained of by him is
not insurmountable.

It is observed that Surgeon Major
Reeves has not only the jail but
the hospital also to attend to in the
mornings and probably, as is usually
the case, from about 7.0 to 10.0 are
the hours for outpatients.

From his letter Surgeon Major Reeves
does not appear very anxious to remain
a member of the Council and it even
if he ceases to be one this need
not sever his connection with it su-
bstantly since he can always appear, with
the Chairman's consent under sec 50(3),
and address it when any of his special
subjects are under discussion.

It is submitted that it would
be best to permit him to resign
and to appoint the Assistant Collector
in his stead.
