Sir,

Encls:

With reference to the Budget
 Estimate of the Salem Dist Board for
 1895-96, I have the honor to state that
 the allotment therein made for Vaccination
 (Rs 10,900) is about the same as for the
 current year, and calls for no comment.
 The expenditure on Sanitation is placed
 at Rs 32,800 against Rs 30,440 for 1894-95.
 Of this amount, Rs 28,454 will be spent
 on Unions, and the balance (Rs 4,346) on
 other villages. Considering the large num-
 -ber of villages which are not Unions,
 the proposed expenditure on the latter is
 far below requirements. I would suggest
 that the Dist Board be requested to
 provide, in consultation with the Dist
 Sanitary Officer, for the better protection
 of the existing sources of water supply
 and

and for improvement of night-soil conservancy.
The proposed grant for sanitation in the non-
union villages would be about half a pie
per head, while in the union villages it
averages Rs 2-5.

2. In the absence of information
as to the available receipts of the year,
I am unable to ascertain what proportion
thereof has been set apart for expenditure
on sanitation. No extract from Statement III
has been forwarded; nor are the works,
if any, of a sanitary nature intended for
execution under Grant I referred to
in the portion of the President's letter
sent to me.

I have the honor to be,
Sir,

Your most obedient servant,

W. H. King
