Public Works Department.

Order thereon dated 22 April 1895 No 1570 this

The Government proposes to acquire the old race Course near Madura for the purpose of constructing residences for the Government officers of the head quarter staff of the District. About one half of the race course, or the portion of it to the West of the Alayarkovil road, is stated to be in the occupation of private individuals and should be acquired under the Land Acquisition Act. The Collector will be instructed to take the requisite steps with this object and submit the usual notifications for publication in the Fort Saint George Gazette. Action is being taken in the Local and Municipal Department for the acquisition of the remaining portion which appears to be now vested in the Municipal Council of Madura.

2. The Collector will also be requested to report whether it is necessary to build a new residence for the Collector in place of the building now occupied by him, and whether in that event this building may conveniently be occupied by any of the other officers at headquarters. He should also report after consultation with these officers for which of them residences should be built first.
