From C. D. Macleane, Esq.,

Local & Municipal Dept.

Collector and President, District Board, Nellore.

To the Chief Secretary to Government
Local and Municipal Department
Madras.

Sir.

With reference to memorandum No 212 dated 18th February 1895, I have the honor to reply as follows—
Clause 5. The correct figures are Rs 32 and 16 as shown in Statement II. The sum of Rs 32 entered in Statement II includes the charges for "Furniture" and "Lundries" vide Columns 35 and 37 of that Statement whereas in Statement III, only the charges for "Lundries" were shown.

Clause 6. The actual collections during the first six months entered in Statement IX are the figures shown in the Treasury Account for September 1895.

Statement showing the proportion of the General Local Fund receipts of each Local Board estimated to be actually spent on the several services in the District of Nellore in the year 1895-96.

There is still a difference of Rs 10 under Taluk Funds and this is due to the adoption of round figures. The receipts in the Angole Taluk Board were Rs 53,112 and a round sum of Rs 53,120 was adopted in the Original Statement instead of Rs 53,110 as now entered in this Statement.

Assistant Collector
for District

The figures entered in Statement ~~IX~~ A are not the Treasury Account figures, but are the Collections shown in the Demand Collection and Balance Statements which include excess Collections of the previous year adjusted towards current Collections &c. The probable Collections entered in Statement IX are the figures according to the settled demand minus the actual collections of the first nine months as per Treasury Account for September 1894. Those entered in Statement IX A are the figures as per settled demand minus the Collections shown in Column 4 of the Statement.

Clause 7- A revised Statement explaining the discrepancies and adopting the figures entered entered by Government is submitted. - The figures entered in Column 2 of the Original Statement included of the Original Statement included and

no such instructions are given

and included the allotments given to Taluk from District Funds in the case of Taluk and District Boards respectively as per instructions contained in Column 2 of the Statement and as no other instructions were received to the contrary. The figures entered by Government neither include these allotments in Taluk funds nor exclude them from District Funds. It seems necessary that they should be included in the one and excluded from the other as the case may be as otherwise the percentages of expenditure will be high in Taluk and low in District Boards. I request instructions on this subject for my future guidance in the preparation of this Statement

Clause 9- The Orissa Taluk Board

Board President has been requested
to submit a Supplemental pro-
position Statement at once and
it will be submitted as soon as
received from that officer.

Clause 10 - Now submitted.

2. I beg to point out that
the remarks in Clause 2 of para 1
of the above memorandum are not
in accordance with those in Clause 2
para 2 of G.O. No. 6162 dated
22nd March 1893, and to enquire
whether the latter instructions are
modified by those now issued.

I have the honor to be,

Sir,

remarks:—

(1) In column 14 of statement III the cost of furniture should have also been included in the contingent charges of the choultry at Dugaraja-palam.

(2) In the President's first letter it is stated that the contingent charges of the Dugarajapalam choultry given in statement III represent only the charges for sundries, as shown in statement V, but the amount shown in statement III is Rs. 12 and that in statement V is Rs. 22.

(3) The actual collections during the first six months of 1894-95 according to the Treasury Account were given as Rs. 104,137 at the foot of statement IX-A submitted with the President's budget letter, whereas according to the President's first letter read above they were Rs. 1,00,536. The discrepancy should

should be explained.

(4) In the statement showing the proportion of expenditure on the several services to the general receipts the allotments made from the District to Taluk funds should be excluded from the receipts of the District Board and included in those of the Taluk Boards. The heading of column 2 of the statement prescribed in G.O. dated 11th September 1894, No. 17742 does not require the inclusion or exclusion of the allotments from District to Taluk Boards as stated by the President.

(5) The remark in para. 22 of G.O. dated 22nd March 1893, No. 6162 referred to the charges of the miscellaneous endowed institutions shown in statement III appended to it and not to choultries.
