From

The Secretary to the Pennington

To

The Chairman of the
Municipality
Srinilliputur

Sir,

I beg to acknowledge the receipt
of your letter dated 3rd Instant requesting
me to ascertain the wishes of the Market
Committee, as to, if it is, willing to transfer
the Market with its funds to the Muni-
cipality or to contribute to it, a decent sum,
for educational purpose and for main-
tenance of the local Municipal Hospital
and in reply thereto, I am desired by the
Committee to communicate to you its
resolution passed at a meeting convened
on the 6th Instant.

2. A true copy of the resolution is accordingly
forwarded

Enclosure to Letter No: 17 M
dated 20-3-95

forwarded herewith.

3. It will be seen that the Committee is not prepared to transfer the market with its funds to the Municipality, as it finds no apparent necessity for it at present.

4. Then as to the alternative proposal a majority of the members in the 1st instance strongly objected to pay Contribution but when the advantages of the Municipality, the nature of interest, the Municipal authorities would take in the progress of education, and the maintenance of local Hospital for the use of the public as well as the improvements the institutions are likely to get under the management and supervision of the Municipal Councillors and the Chairman, were explained, the Committee after a long decision came to a conclusion that a Contribution be paid to the Municipality at Srivilliputhur for the purposes above alluded to.

5. Mrk

5. Next came the question as to what amount should be contributed. The opinions were deferred considerably and eventually, a few of the members proposed that a sum of Rs 500 might be paid as a contribution and others considered that Rs 300 would be a decent sum.

6. When the original proposal was put to the vote, it was carried by a majority of seven against three.

7. I am thus exceedingly glad to inform you that the Market Committee was thus benevolent enough to resolve to contribute an annual contribution of Rs 500 to the Municipality from the Market funds & I consider that the Committee is deserving of thanks from Government for its generosity.

I beg to remain

Sir

an annual contribution of Rs 500 for
educational and medical purposes.

Considering the financial condition of
the Committee, Rs 500 is, I think, a
fair contribution.

2. Rs 300 of this contribution will
be applied to medical relief and
Rs 200 for purposes of education.

3. A copy of the Committee's resolution
on the subject and of its Secretary's
