Mr. H. Abtuthuth a qualified
Assistant Engineer of the Madras
College has been employed under
me as a Sub Div Officer for about
5 years.

He has been the best Sub Div Officer
I have had, & I am happy to testify
to his professional abilities.

He has had a great deal of
experience in the Nellore District,
in which he is still my Assistant.
I should add that he has acted
for me while I was on leave.
I give this certificate as I am
about to leave the country.

Mr. H. Abtuthuth has been Local
Fund Sub Div Officer during the
year I have acted as Sub Collector
of Ongole, & I have much pleasure
in giving him this testimonial to
express my high appreciation of

the assistance he has rendered me,
whereas I have required it, for
the good work he does for the District
Board.

I feel sure that, under the present
management, his services will be
duly appreciated, & I hope that he
will get that promotion which he
considers he has earned.

CURRENT No. 11962

The District Secretary to
His Excellency the Governor of Madras

Sir

I have the honour to report that on Monday 15 I had an interview with His Excellency at Coonoor. Mr. M. Bliss being present.

As regards my Dismissal - Appeal etc His Excellency, having first ascertained from Mr. Bliss that no one was appointed to succeed me, was good enough to say that I might appeal again and that the subject matter would really be enquired into.

Returning to Nellore, I met in the train the Collector & District Board President Mr. Manavedan Raja, and arranged a business interview with him for 6 days. Telling him of my interview at Coonoor. Late in the evening at the Club Mr. Manavedan Raja writes that he cannot discuss business with me as I must at once hand over charge to my subordinate.

I submit that this looks like persecution. I shall of course obey orders at once, but I beg that he may be wired to. He is personally very kind to me, and agrees that since Mr. Wynne left I have not an enemy or adverse opinion in the district. He however insists that in view of recent proceedings of Govt. I cannot remain as Engineer, and that officially he knows nothing of the interview at Coonoor.

(a) While on the one hand, the district work which suffered enormously last year, because Mr. Wynne removed and would not replace the Southern Sub-Divisional Officer, and still now suffer even more if the Northern Sub-Divisional Officer is to take charge of the whole district and try and spend twice the normal income.

(b) On the other hand it seems cruel to keep me waiting here without pay for two months or more while papers are being looked into, referred backwards and forwards to Mr. Wynne.

This is for L & M. I do not gather that Govt. but the local Bd. dismissed him under the circumstances as we have promised to re-consider his case when he sends in a fresh appeal - perhaps at North West etc etc. I shall of course lose no time in getting my Appeal drawn up, but mean time beg His Excellency will not remove me. I have the honour to be Sir

Yours faithfully
B. O. Raja
