Proposed by M.R.Ry. T. A. Shanmugasundram Pillai Av., Chairman and seconded by M.R.Ry. Shanmugam Pillai Av., that in view of the heavy work of the office establishment and the fact of its being unable to look after registration of births and deaths, an equally important

Sir,

With reference to paragraph 3(4) of G.O. No $\frac{169\cdot M}{5\cdot 2\cdot 95}$, I have the honor to enclose a copy of the Council's resolution No 2, dated the 20th March 95 and to state that, on account of the heavy work in the office, the office clerical establishment, which is very limited, consisting of 3 hands including the manager, is unable to look after registration of births and

and deaths, which is an important work too. At this time a registrar of births and deaths will not only relieve the office establishment of this work, but may also, to some extent, when he finds time, help them in their work, which, as I remarked, is very heavy. Besides, necessary funds are now available, as the Pennington Market Committee contributes a sum of R500, which was not taken into account, when the budget for 95-96 was framed.

I request that Government will be pleased to take the above circumstances into consideration and to accord their sanction for the entertainment of the establishment in question.

A proposition statement has already been submitted with my letter No $\frac{15}{18\cdot2\cdot95}$.

I have the honor to be,
Sir,
Your most obedient servant,
Sd. [illegible] Pillai

Resolution No,

Read the proceedings of the Srivilliputtur Taluk Board, sanctioning the entertainment of a clerk on Rs 10 and a peon on Rs 5 a month for the Srivilliputtur hospital which is shortly to come under the Council's management.

Read G.O. No $\frac{169\ M}{5.2.95}$, disallowing the above establishment

---

From the statistics furnished by the Civil apothecary, the Council is glad to note that the number of patients is rapidly increasing and

is

is of opinion that the entertainment of a clerk and a peon is indispensably necessary for the efficient working of the hospital as already foreseen by the Taluk Board, in whose charge the hospital is at present, and therefore resolve respectfully to request the Government to sanction the entertainment of the same from the 1st April 1895, as the Council is aware that the increase in the number of patients is due not to any special epidemic during the year, but solely to the fact of people coming from surrounding villages

and

and to the growing popularity of the institution
