Madras
Local & Municipal Department
Through the Sub Collector
Collector of Channarayana

I agree with the Council's resolution
No 35 of 1895 (Copy enclosed). I have the honor
to submit that the increased provision in
the Budget for 1895-96 for the salary of the
Apothecary is obviously beyond the means of the
Council, and in view of the fact, Government
was pleased, in G.O. of 26 January 1892 No 1674
to direct that an Apothecary of the junior grade
should be in charge of the Hospital here and
thus to relieve the Council of the burden
of additional and needless expenditure in
this direction, which even now the Council thinks
is found to be too scanty to admit of. Till now
this order has been faithfully followed.
Moreover, in Periyakulam Municipality, which
realises nearly the same revenue as this
Municipality, there is but an Hospital Assistant,
