ABSTRACT.—Passing orders on a proposal from the Collector of Kurnool to acquire land

Order—dated 5th February 1895, No. 73, Revenue.

Miscellaneous.

Cases frequently arise in which the extension and improvement of village-sites at the expense of public funds becomes imperative on sanitary and other grounds, but, as pointed out by the Board, the lands needed cannot be acquired under the Land Acquisition Act in the absence of a notification under section 3 (f). Though there are not many instances in which Government has allotted funds for the purchase of lands required for village-site, there seems to be little doubt that in most districts it is customary for Government to provide such sites gratis, generally by assigning waste lands at its disposal, and it is desirable to issue under the Act a notification to this effect. The Board of Revenue is requested to report in what districts such provision by Government is customary and what districts should be excluded from the scope of the notification.

Resolution—dated 5th March 1895, No. 73.

With reference to the Government Order read above, the Board begs to report that the only districts in which it is not customary to provide village-sites *gratis* by assigning waste lands are Madras, Malabar and South Canara as will be seen from Board's Proceedings, No. 3448, dated 15th August 1871, and No. 317, dated 25th May 1891, disposed of in G.Os., No. 1684, dated 16th December 1872, and Mis. No. 4405, dated 10th August 1891, respectively, and that these districts should be excluded from the scope of the proposed notification.

2. The Board would also exclude the Nilgiris, as applications for house-sites are very rare therein.
