DESPD. 15 DEC 94

From

M.R.Ry. C. Subba Row Pantulu garu
Chairman Municipal Council,
Nellore.

OFFICE OF SURGEON-GENERAL
23 DEC. 94
WITH GOVT. OF MADRAS.

To

The Surgeon General with the Government of Madras
thro the Head Quarter Deputy Collector
Nellore.

Sir,

I have the honor to request that the sanction of Government may be obtained for the conversion of the present Lying-in-Hospital into a Combined Hospital for women and children and also for lying-in cases.

2. The Lying-in-Hospital at this station having been under the supervision of a matron on Rs 30 a month, one of the Councillors happened to find that she had not received a regular training in Medicine and Midwifery and was not competent to treat any labor cases independently. He therefore suggested that her services be dispensed with and that the District Surgeon be requested to lend the services of one of the two female Hospital Assistants working at the civil Hospital as they have very little to do there.

3. As the proposal would be a financial gain to the Municipality the District Surgeon was consulted on the matter. He was in favor of it but suggested that it should be carried out only if his proposal to convert the Jubilee Hospital into a Lady Dufferin

Dufferin Female Hospital solely under female management, was adopted by the District Board.

4. In the meanwhile the council were considering to carry out Lady Wenlock's scheme and to employ female Apothecaries to the Hospital when a proposal by the District Board was received to the effect that if the Municipality should introduce Lady Wenlock's scheme, they would lend the services of Lady Hospital Assistants and would consider the question of contribution.

5. On the 1st September 1894, the council resolved to dispense with the services of the Matron at one month's notice; to carry out Lady Wenlock's suggestions for which help was promised by the District Board and to request the District Surgeon to spare the services of a Local Fund female Hospital Assistant.

6 Thereupon the District Surgeon was requested to propose the necessary Establishment and to state the probable cost of medicines and contingencies. His proposals are noted in the margin which involve for the present an expenditure of Rs 1300 a year in round numbers against Rs 912 the annual charges of the Lying-in-Hospital at present. Application has been made to the District Board to continue to pay as usual half the charges besides lending free of charge the services of two female Hospital Assistants.

Rs
Establishment Rs 312
Medicines & supplies 500
Contingencies 480
Total — 1292

7. By these arrangements it is hoped that the institution will be brought to the state of efficiency expected by Government in G. O No 1250 M. Mis dated 12° September 1896.

Resn No 190 of 1st Sept 96
" 18[illegible]
" 3 [illegible] November 1894

8. The proposition statement is herewith submitted as also copies of councils resolutions noted in the margin.

No. 176. III

Office of the
District Medical & Sanitary Officer,
NELLORE.
29th January 95

When it was proposed that the Municipality should lend the services of two Lady Hospital Assistants, it was intended that one of them should do the compounding required, ~~but~~ as well as assist the other, ~~as no applicant has~~, till a female pupil Compounder was sufficiently instructed in that duty to take up the work, but as no applicant has been found for the post of pupil compounder, it is intended to entertain

mos

Surgn.-Major-Genl.,
Surgeon-General with the Govt. of Madras,

10 S.G.—1,500—2-2-95.

Ct No: 499/MCO of 95

This will increase the annual cost of Establishment by Rs 48/, from Rs 312/. to Rs 360/-, but the total annual cost of Rs 1300/ estimated need not be changed as the cost of medicines & indented for & contingencies will be well within the estimate, but Rs 5/ shown in the Revision of Establishment statement as pay for a compounder should be altered to Rs 9/. as the former is the rate sanctioned for a female pupil Compounder only.

It is believed the Local Fund Board will pay a ~~moiety~~ third of the Expenses and the Jubilee Hospital for Women & Children will be reopened at Nellore on the [illegible]th of April 1895.

Office of the District Medical and Sanitary Officer Nellore

2. Please now reply to minute II in order to place the Surgeon General in a position to address government.

3. The proposition statement includes a Compounder on Rupees 5 a month, or the same pay you give to a waterman, toty, and Doby. How can you possibly expect to get a trained Head nurse on Rupees 6 a month.

4. The Surgeon General understands that there are two fully qualified medical lady Doctors in Nellore, and it seems to him much more reasonable for you, and the Board, to try and engage their professional services than to place a third Class female Hospital assistant in Charge of such an important institution.

OFFICE OF SURGEON-GENERAL
27 FEB. 95
WITH GOVT. OF MADRAS.

(1) I regret that I did not express my
more fully and clearly on the Subject.

(2) your Minute IV and the orders there
referred to received due attention, but as i
will take some time for the people of the Di
to know that after 1st April next the H
will be opened for In-patients, probably
will at first practically be only a Dispens
for caste women and Children in addit
to a Lying in-Hospital, it was therefo
thought that Miss Phillips, the Reside
Lady Hospital Assistant, at the Lyin
In-Hospital, would be competent
take charge of the whole institution
increased Supervision from the Assis
Surgn and myself, or that this pla
would be worthy of a trial, as one o
us would always be available at
Short notice in any emergency, and
she proved not to be competent or

Surgn.-Major-Genl.,
Surgeon-General with the Govt. of Madras,

10 S.G.—1,500—2-2-95.

[illegible] and the duties and responsibilities increased, then application could be made for a Lady Apothecary to take charge of it, but the Municipal Council were anxious to avoid incurring the large increase in expenditure which such an appointment would involve, until it was advisable, and the Hospital proved a success; Especially as reopening the Jubilee Hospital on its original lines necessitated a large provision in the Budget of 1895-96 for pay of Establishment.

The council resolved to adopt this course mainly from motives of economy, as it is a very poor Municipality, and it should be remembered, the Jubilee Hospital had to be closed before owing to scarcity of funds.

(3) I would point out that the Revision tatement attached was prepared in the Municipal Office some months ago, and equires to be altered. "Head Nurse" s an old name, the woman is, and called a "Midwife". Her pay has t my suggestion been increased Rs 8/- monthly, with effect from 23 April/95, and is provided for in e Budget of 1895-96. As is mentioned my minute III Rs 5/- was the ate of pay sanctioned for a female

appeared for the post, and as Govern sanctioned the appointment of a male Compounder, I recommended Rs 9/- as the rate of pay to give the latter; With these alterations the pay of Establishment would be increased to Rs 32/- monthly or 384/- for the first official year after reopening the Hospital, Subsequently, the Establishment may require to be increased and revised.

(4) With reference to Para 4. The Surgn-General is not quite correct, there were recently for a short time 2 Lady Doctors attached to the American Bapti Mission at Nellore, but there is only one now, and she has her own duties to attend to, which will ere long be increased, as I know the Mission has just purchased land at Nell near the Mission Compound, as site for a Hospital for women and children, which they intend to build without delay, their present Dispensary building being suitable, and the Lady Doc referred to will be placed in c

Surgn.-Major-Genl.,
Surgeon-General with the Govt. of Madras,

...ipal Council would not accept her services even if offered gratis for "fear of the Hospital being converted into "a proselytising institution". So I fear the Surgeon-General's suggestion cannot be accepted.
