I have the honor to subjoin herewith the Palghat -
Tahsildari Arzi (in original dated 11th December 94,
Refon Cul. 10384, with its enclosures in re the ex-
change of the old road site for wet land taken
up for the road diversion near the Mangalur -
channel in the ~~dist~~ Mangalur Ambar of the
Palghat Taluk on Dist: Board road no 90.

2 It will be observed from the above file
of Correspondance that the land taken up by
the Engineering department for the road diversion
in question measures 5 cents. The land was
wet and was owned by one Ramam son
of Thandam of the above Ambar and desam.
No compensation was paid to the owner nor
does he claim any. In exchange for the
land taken up, the aforesaid Ramam -
applies that the site of the old road
may be given over to him free of cost.
The old road site measures 9 cents and
although it is in excess of the land given

up by Raman by 4 cents the latter was
~~cultivated~~ cultivable wet land, while
in the case of the former, money and labour
are required to bring it under cultivation.
The Tahsildar states that Raman's
prayer may be granted and I suppose
his recommendation.
