Sir,

With reference to your endorsement No: 812/21.12.94 on Copy of Government memorandum dated 10th Instant No: 1434, I have the honor to state as follows:—

The 2 trains from Rajahmundry and Vizianagaram meet at the Narsipatam Road Station twice a day. There is one well near the Station, the water of which is not good for drinking purposes. Fresh water has to be obtained from some distance. The train stops at the Station only a few minutes and does not give sufficient time for passengers to fetch water. Under these Circumstances, the Continuance of the water pandal establishment at the Station has

CURRENT No. 3563 L

SIR,

In April last, the Narasapatam Taluq Board sanctioned a sum of Rs 7 on account of Hot weather charges for the up-keep of a water pandal at the Narasapatam road station. It was then proposed that the water pandal should continue for four months only under G. O No. 807 L. dated 11th April 1893. The Taluq Board after the expiry of that period resolved to keep the water-pandal throughout the whole year. Under para 1 of G. O. No. 889 L dated 17th May 1894, Presidents of Local Boards are authorized to entertain all establishments, the monthly cost of which does
