No. 542.

To

The Secretary to the Surgeon-General
with the Government of Madras

Returned with reference to your minute
No. 660 dated 30th January 1896.

2. On examining the statements showing the
receipts and expenditure of the Finnevelly
Municipality for the years 1893-94 & 1894-95
furnished by the Chairman, Municipal
Council, I find that its financial condition
is not satisfactory and that there are no
savings in the current year's budget, from
which the increased pay of the apothecary
can be met. The total receipts for the
year 1893-94 were Rs 24805-8- and
the expenditure was Rs 29529-10-
showing a deficit of Rs 4724. 2. 2. For the
current year the receipts amount to
Rs 24400 while the expenditure comes
up to Rs 26800 - " - " the deficit being
Rs 2400. The budget estimate for 1895-96
in which provision is made for the
increased pay of the apothecary by
allotting Rs 400 more than in the current
year's budget shows a deficit of Rs 360.
3. As the Finnevelly Municipality is
not at present in a position to meet
from

from its funds the increased pay of the Apothecary, and as the hospital is under the direct supervision of the District Medical and Sanitary Officers whose headquarters are only about $3\frac{1}{2}$ miles distant from Tinnevely, there would be no objection to the employment of an experienced 1st class Hospital assistant in the place of the present apothecary &c. The Tinnevely Municipal Chairman's letter No: 562 dated 11th March 1895 and the financial statements of the Municipality for 1893-94 & 1894-95 are herewith sent for your information.

Para IV The raising of the pay of the civil
Apothecary Linnevelly from Rs 75 to Rs 125
per mensem.

The Council find that the pay of the Apothecary
is raised from Rs 900 to Rs 1500 per annum at once.
This increase falls as a heavy charge upon the
funds of the Municipality. They are of opinion
that Rs 75 per mensem is the maximum charge,
they will be able to bear and resolve therefore
to request Government that the excess charge
be either paid from Provincial funds or that
an officer on Rs 75 be sent to them.

CURRENT No. 3371

To P. Hastnasamy Iyer
Chairman

Municipal Council
Linnevelly.

His Chief Secretary

to the Secretary of
Madras.

(Through the Revenue Divisional Office
at Coimbatore Linnevelly.)

Enclosing herewith Copy of a
Resolution of the Municipal Council
Linnevelly, I have the honor to state
that the following

The Civil Apothecary attached
to the Municipal Dispensary Linnevelly
was drawing Rs 75 till the end of
October 1894, but from November

his pay is raised under his departmental
rules to Rs 125. Thus an additional
burden is thrown upon the Muni-
cipality of Rs 600 per annum
the officers costing on the whole Rs 1500
per annum

2. The income of this Municipality
is estimated for the year 1895-96
at Rs 26530. And there from
this simple officer's pay come to
 $\frac{1500}{26530}$ or nearly 5.6 per cent

3. The Council finding this unnecessarily
heavy expenditure thrown upon
them, have resolved that the funds
of the Municipality can bear a
burden in this direction only to the
extent of Rs 75 per mensem and
that the excess may be paid either
from Provincial funds or that
an officer of a lower pay may

be sent to them

4. The request of the Council seems
to be reasonable and I therefore
hope that the Government may be
pleased to accord sanction for the
same.

5. An order to prevent future
difficulties of the kind I hope
to suggest that a graduated
scale of pay of Medical Subordi-
nates may be laid down accord-
ing to the income of the Municipalities.

To THE Honorable the Chief Secretary to Government
Local and Municipal Dept.

SIR,
In returning your endorsement No 36
dated the 17th January 1895 with its accom-
paniments I have the honor to forward
for the information of Government Copy of a
report on the subject from the District
Medical and Sanitary Officer Sinnvelly.
2. Considering the importance of the
hospital and its distance, 3 1/2 miles,
from the Head Quarters of the District
Medical and Sanitary Officer I cannot
approve of its being placed in charge of
a hospital assistant.
3. Although provision has been
made in the Budget for the increased
pay of the Civil apothecary it is
clear from the report of the District
Medical and Sanitary Officer that the
finances of the Municipality are not
in a flourishing condition. This is

one

of those cases in which Government
I think should supplement the cost
as recommended in my letter No 26
dated the 15th January 1895. regarding
civil appointments.
