Office of the Inspector of Schools
Western Circle

Couibators 5th March 1895.

From,

J. J. Logan Esq B.A.

Inspector of Schools

Western Circle.

To,

The President, District Board,
Malabar.

Sir,

With reference to your endorsement
Ref. no. $\frac{3055}{L 4}$ of the 22nd November 1894,
and your docket dated the 23rd ultimo
I have the honor to forward the enclosed
Statement comparing the figures in this
office statement n^o. 1 with those in state-
ment n^o. TX furnished by the Presidents
of the various Taluk Boards in the District.

2. The discrepancy pointed out by
Government exists between this office state-
ment n^o. 1 and the statements of the
Malapuzha and Palghat Taluk Boards
and seems to have been caused by wrongly
adding

adding up the figures supplied by the
Sub Assistant Inspectors of Schools.

The Malapuram Board has added one
girl more under Hindu Schools, while
the Palghat Board has left out 20 boys
and 2 girl girls under mappila
Schools. This accounts for the discrepancy
and shows that the office statement
is correct.

3. The statements forwarded for
reference are herewith returned.

I have etc.

CURRENT No. 1188

From,

H. Moberly Esq^r

President, District Road
Malabar

To,

The Chief Secretary to Government
Local and Municipal Dept.
Madras.

Sir,

With reference to official memo-
randum from Government dated 10th instant
n^o 537 calling for an early reply to G. O
dated 10th December 1894 n^o 2565. L. mis, I
have the honor to furnish the explanation
called for in clauses 7 and 16 of the official
memorandum dated 4th October 1894 n^o 912.

Clause 7. The District Board District Engineer
who was called upon to reconcile the
two sets of figures referred to in this
Clause reports that he is unable to explain
the difference.

The figures in the I.B statement are taken
from the grant register in which the original
budget grant under each head together
with

with the subsequent allotments and transfers are correctly shown whereas the figures in statement III furnished by the Engineer show only the amounts sanctioned during the year for various works. The two figures cannot agree for the following reasons:—

(1) Suppose there is a budget grant of Rs. 25,000 for original works. Communications - The Engineer is not likely to submit estimates for all the works. Thus in statement n^o. III the Engineer will show only the actual amounts sanctioned whereas in the grant register the whole of the budget provision viz Rs. 25,000 will be shown.

(2) Again when the full sanctioned amounts for work are not utilized, transfers are made which are shown in the grant register, but the Engineer shows the original sanctioned amounts without deducting the transfers in statement n^o. III.

Clause 16. A copy of the Inspector's letter explaining the difference of 21 between the figures shown in this ^{clause} para is herewith submitted for the information of

of Government. The figures in the Inspector's statement are exclusive of Erinjolly and Pithantavidiu Schools and the three Preparatory moflah Training Schools of Tellicherry, Malapuram and Trivur.

I have the honor to be,
Sir,

your most obed^t servant
