Copy of letter Ref. R. C. No $\frac{1751}{\text{Rev}}$ of 94 dated 4th July 1894 from the Head Quarter Dy Collector, Kistna to the Collector Kistna District.

I have the honor to inform you that D. F. No 84 measuring 1-82 acres is shown as a channel in the Settlement Register. There is a tank in the land, the water of which is used by the pariahs. In fasli 1286 a portion of the land was occupied by one ~ Chendrigadu for a straw-yard and the Zamabandi officer granted the whole field to him on patta. The pariahs have been put to great inconvenience since the land was granted to Chendrigadu. They presented a petition to me last year requesting that the tank may be restored to them, but Chendrigadu declined to part with the land though he was offered compensation for it. It is therefore necessary that the land should be acquired under the Land Acquisition Act for the use of the pariahs who are willing to bear the cost of acquisition. The statements taken from Chendrigadu and the pariahs are enclosed together with a draft notification for publication in the Fort Saint George Gazette.
