To,

The Chief Secretary to Government

Sir,

I have the honor to submit that the Council have been widening the Purnungattu street, and have found it necessary for that purpose, to acquire the property ^{of private individuals} as per schedules attached, and sanctioned the estimated cost of the above property namely Rs 2305. The Collector informed me through the Sub-Collector, that the draft declaration sent to him could not be submitted to Government unless the estimated cost of it is sanctioned by Government. I therefore request that you will be pleased to move the Government to sanction the

estimated cost, so that, the draft declaration might be sent by the Collector to Government. After an award shall be passed by the sub-Collector or the District Court as the case may be, and the amount of compensation definitely settled, the necessary application for the allotments of funds will be made.

I have the honor to be

FOR ORDERS.

It is not clear why the Collector
required that Govt. sanction to
this expenditure should be obtained
before he sent up the draft declaration,
unless it was that he wished to
avoid the trouble of acquiring land
when it was doubtful whether Govt.
sanction payment for it.

It is submitted that the Chair-
man's letter also gives little informa-
tion upon which the sanction applied
for can be granted, & the rates that
it is proposed to pay as compensation
are large.

Submitted therefore that for both
these reasons the Collector's remarks
are necessary. A plan appears also
to be called for.

Endorsement 11/2 It is proposed to say
that the Chairman's letter will be returned to him & he will be
requested to submit it with a plan showing the proposed
acquisitions with measurements, through
the Collector.

FOR ORDERS.

From the plan now submitted,
it appears that the plots and
other lands which it is proposed
to acquire for the purpose of
widening the Pinnangattu Street,
are projections or encroachments
on the public street. Thus, there
is no necessity for acquiring them
under Act I of 1894, as the
Council can take action under
Section 168 of the District Muni-
cipalities Act. - Vide. J. C. Order
22nd November 1893, to 1600 m.

The plan alone does not afford
sufficient grounds for an order to the
effect. The following is submitted for approval.
