order d/24 5-9-1895

Under the Circumstances
now stated, the municipal
Council's proposal to increase
the salaries of the hospital body
and the sweeper by Rs 1 each, is
approved.

22/5/95

"it is very desirable that the hospital duties
"should be made comfortable and contented
"and as they can easily make more than Rs 6/-
"per mensem by outside work which would
"probably be much lighter than that required
"of them in the hospital. I am of opinion
"that no body will remain at Hospital unless
"his pay is increased to Rs 7/- a month and a
"house."

3. For these reasons I consider that the
small increase recommended is very necessary
and if sanctioned can be met from the
amount of Rs 120/- provided for compensation
for quarters to the Medical subordinates.

Local & Municipal Deptt.

Sir,

With reference to G.O. No. 313 M. This dated the 28th February 1895, I have the honor to request that Government will be pleased to sanction the increase of one rupee each to the pay of the koty and the sweepers of the Civil Hospital Mellore recommended in para 2 of my letter No. 95 dated the 5th February 1895 to Government as it is very difficult to secure the willing and continued services of these men.

2. The District Medical & Sanitary Officer Mellore to whom the budget review was communicated writes to me that "for months past great inconvenience has been caused in the hospital by the frequent absconding of one or other of the koties, and the Municipality have difficulty in supplying others which takes time. I need not point out the absolute necessity of a large hospital being kept clean and the impossibility of doing so without a koty;
