Order.

of 27.5.95 No. 882 in this

Paragraph 1 of the Chairman's letter will be referred to the Surgeon-General for remarks.

2. With reference to para. 2, it is observed that 50 percent of the Municipal income from tolls is the minimum prescribed by Government for expenditure on Communications. The additional allotment of Rs. 4,400 made in the budget ^{are probably} may therefore be ^{well employed} ~~utilised~~ in improving the condition of the town roads, which from the Deputy Sanitary Commissioner's inspection notes recorded in G.O. dated, 16th March 1895, No. 428.M., appear to have been not in very good order, when inspected by that officer in October last.

3. The Communication promised by the Chairman in the concluding portion of para. 3 of his letter, will be awaited.

Sir,

Advertising to Govt. No. 1413 M
14.3.95.

I have the honor to inform you that
the Apothecary in Bezvada has
completed only 7 years service
and his pay has recently been
raised to Rs 125 and so, he is
not entitled for any increase as
recommended by the Surgeon General
with the Government of Madras
in his No. 64 hence the provision
of Rs 260 under Grant III & Rs 130
added under contributions should be

struck off.

2. Under Grant I contributions for public works Rs 500 have been entered & for repairing the Ancient road and this item naturally belongs to Grant I Communications repairs; hence, the addition of Rs 440 under road repairs to make up 50 p.c. is to be removed & added to general balances.

Even now the percentage is only about 87.

3. The original estimate for building Arundel Chattram was for Rs 17500. The expenditure exceeded by Rs 800 and the Local Fund District Engineer has applied for sanction for the extra expenditure. As there was no balance during 1894-95 the increase is provided in the Budget for 1895-96 and hence it is proposed to be paid this year as the Municipal Council has approved the same in its resolution No. 12. As for Rs 500 provided

under Grant II for a common gymnasium, the Assistant Inspector of Schools 2nd Division has been asked to explain the necessity and his reply will be communicated when received.

4. With reference to para 4 of Surgeon General's St. 64. I beg to report that 29.1.95 a cart driver on Rs 5 was employed to drive night soil cart as a special cart has been provided to remove the night soil from the Hospital latrine since the last two years.

I have the honor to be Sir,

Your most obedient servant
